Background

This action added this FTA transit project into the 2023-2026 TIP. It was originally programmed with FHWA CMAQ funds in 2022 in the 2022-2025 TIP. The MNDOT-to-FTA transfer was completed on 4/5/2022 and TIP modification was completed 8/19/2022 for this same action in the 2022-2025 TIP. The scope remains the same.

Fiscal Constraint

Now that these funds are FTA-CMAQ, they have the budget authority for this fiscal-year shift. Therefore, fiscal constraint is maintained.

Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on November 18, 2020 with FHWA/FTA conformity determination established on December 4, 2020.

Air Quality Conformity

Exempt Project Category T-8— Reconstruction or renovation of transit buildings and structures (e.g., rail or bus buildings, storage and maintenance facilities, stations, terminals and ancillary structures) per Section 93.126 of the Conformity Rules.
