Background and TIP Amendment Need

This amendment added a new 2025 project into the 2025-2028 TIP. The project was awarded funding through the Federal Highway Administration (FHWA) Charging and Fueling Infrastructure (CFI) grant program. The federal CFI funds are from CFI Round 2 Grant Award Recipients list.

Fiscal Constraint (as Required by 23 CFR 450.216)

This grant, along with the local match, is sufficient to fully fund this project. Therefore, therefore, fiscal constraint is maintained.

Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.
