

Bayport, Brooklyn Park, Eden Prairie, and Mound

LIFT STATION SUSTAINABLE LANDSCAPE RESTORATION PROJECT JULY 2024 UPDATE

OVERVIEW

Metropolitan Council Environmental Services is undertaking sustainable landscape restoration projects at four sites in Bayport, Brooklyn Park, Eden Prairie, and Mound. Work includes replacing high maintenance lawn and invasive plants with native plants and trees that are Minnesota nice – friendly to birds, pollinators, and improving water quality. This project helps fulfill the Met Council's environmental and sustainability goals and guidelines for the region.

All Sites

The project team developed new site maps to illustrate the sustainable landscape restoration plan for each site. These maps are included with site-specific updates below.
