Luce Line Trail closures begin week of May 13

Segments of the Luce Line Trail through Theodore Wirth Park and Bassett's Creek Park will close in May for final trail and park restoration work with the Metropolitan Council Environmental Services (MCES) Bassett’s Creek Park & Theodore Wirth Sewer Improvement Project. Crews will be seeding and repaving sections of the trail.

**Theodore Wirth Park Trail Closure: Week of May 13**
The Theodore Wirth Park trail will close beginning the week of May 13 and remain closed through May 31. The closure will occur north of Plymouth Avenue at the trail split to south of Highway 55 at the Bassetts Creek pedestrian bridge. During the closure, trail users will be detoured to the Grand Rounds Trail along Theodore Wirth Parkway. The detour route will extend from the Bassetts Creek crossing, north of the Theodore Wirth Parkway and Plymouth Avenue intersection and continue to Glenwood Avenue (see trail detour map).

**Bassett’s Creek Park Trail Closure: Week of May 20**
There will be a short-term closure of Bassett’s Creek Park trail during the week of May 20. The closure will occur between Inglewood Avenue and Morgan Avenue. Trail users will be detoured to Glenwood Avenue and Morgan Avenue (see trail detour map).

Signage will be posted along both trail detours.

Schedules are subject to change due to weather or unforeseen circumstances. Thank you to the neighbors and park and trail users for your patience and cooperation during this project.
