## American Boulevard scheduled to open July 2

Good news! Crews completed paving and are waiting for the blacktop to dry. The intersection of American Boulevard will reopen the road by the end of the day on Friday, July 2.

Drivers should expect some traffic control to remain in place to allow for restoration work to occur in the area.

## Site restoration begins at lift station site

Within the next week, crews will begin clean-up activities and site restoration at the lift station. Construction activities and restoration is expected to be completed by the end of September.
