

# Brooklyn Park - Osseo Sanitary Sewer Improvement Project

## Construction Update: November 22, 2022

Issue 20

### Project look ahead

Construction is substantially complete on this project! Final clean-up, miscellaneous work, and restoration will take place through spring 2023.

### Restoration at CR 81

Final restoration of the project site at County Road 81 is now complete. If needed, crews will return in spring 2023 to finalize landscaping and monitor seeding progress.

### 85<sup>th</sup> Avenue CIPP work complete

Crews have completed the sanitary sewer pipe repair along 85<sup>th</sup> Avenue (see photo to the right). Weather permitting, restoration activities and removing equipment out of the area are taking place in the coming weeks. All schedules are weather dependent and restoration work will continue in spring 2023.

### Safety

Please keep your distance from any materials and equipment – only authorized personnel are permitted in our work areas. We want you and our crews to stay safe during construction and restoration.

### Contact us

Contact us with questions or concerns at any time during the project.
