

# Brooklyn Park Regional Sewer Rehabilitation

## Construction Update: December 6, 2021

Issue 73

### Monthly update

We will continue to send and post this monthly update so residents are kept up to date on the project through the winter. We hope everyone finds rest this holiday season.

### Project completion

Construction is complete. Thank for your patience and cooperation during final construction and restoration this year.

### Final sod evaluation next spring

Crews will return in the spring to evaluate restored sod conditions and determine replacement.
