Metropolitan Council work on Xylon Avenue is complete

Metropolitan Council work on this project over the last month has been isolated to Emery Farms Park and is expected to continue through the end of 2019. All construction on Xylon Avenue is now complete, with the exception of limited maintenance hole work occurring later this month. The temporary wastewater conveyance pipe has been removed and restoration of grass, curbs, and streets is complete.

What to expect

Residents may see Metropolitan Council crews conducting limited work around the Xylon Avenue maintenance holes later this month. There are no further impacts anticipated for Xylon Avenue and Business Park Boulevard residents due to this project.

Work will continue at Emery Farms Park through the end of 2019. While we do our best to minimize impacts during construction, some temporary inconveniences such as dust, noise, and vibrations may occur as this work takes place.

Xylon Avenue Construction

The city of Champlin is currently working on Xylon Avenue. If you have comments, questions, or would like to sign up for project email updates, please email ChamplinProjects@wsbeng.com or call 763.762.2864. Please be sure to indicate that you live in the Xylon Avenue Street Reconstruction Project area and if you would like to be added to the email updates list.

Safety

Please keep your distance from any materials and equipment – only authorized personnel are permitted in our work areas. We want you and our crews to stay safe during construction.

Stay Informed
