

Burnsville Interceptor Improvements Project

May 29, 2019

River Hills Drive/Cliff Road intersection closure June 1

Beginning 7 a.m. on Saturday, June 1 the intersection of River Hills Drive and Cliff Road will be closed for 24-hours, but will open as soon as work is complete. The closure is needed to allow crews to remove the temporary wastewater conveyance pipes that were buried under the intersection at the beginning of the project.

Once the conveyance pipes have been removed, and the intersection is paved, all sewer work will be complete at Site 2. Crews will continue working on restoration. Crews will begin work at Site 1 along Parc Drive in September.
