

Sewer Lining complete

Crews have completed lining the sanitary sewer pipe along Wintergreen Street NW from Egret Boulevard NW to just south of the railroad tracks in Al Flynn Park.

Beginning the week of **October 9**, crews will be

- installing maintenance structure liners
- televising the sanitary sewer line
- adjusting maintenance structure casting and rings

Removal of the by-pass temporary conveyance piping is anticipated to begin the week of October 23rd, with restoration to follow.

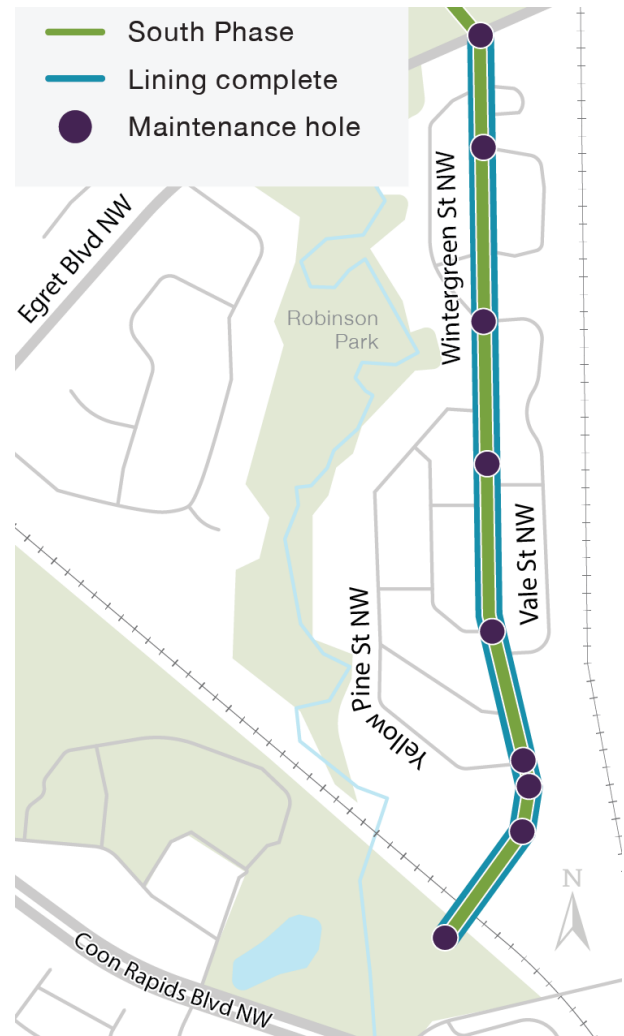

What to expect

Expect some resin and sewer odor as crews work near you.

Access will be maintained during this stage of the project.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances.
