

EXCELSIOR L20 CONSTRUCTION PROJECT

PROJECT UPDATE

THIS WEEK

- Crews will complete pavement patching in front of curbs on Oak Street
- Crews will prepare William Street North for base course of pavement
- On William Street South, crews will install and test the water main and sanitary services, and continue grading the street
- On College Avenue, crews will work on the sanitary sewer

NEXT WEEK

- Oak Street will receive a mill and overlay of the pavement surface, and temporary pavement markings will be applied
- On William Street North and South, grading work will prepare the surface for pavement
- Concrete sidewalk and aprons will be installed on William Street North
- The sewer work on College Avenue will continue this week

TRAFFIC CONTROL

- Traffic will shift to one lane on Oak Street for the curb and gutter pour, and flaggers will direct traffic
- Access to Pleasant Street will be from College Avenue to the east
- Access to William Street and 601-602-603 Glencoe Road will be via Glencoe Road and/or Oak Street
