

Fridley Area Lift Station Project

December 11, 2020

Join us for a virtual public hearing!

The Metropolitan Council Environmental Services (MCES) will be hosting a public hearing on the proposed draft Facility Plan for the Fridley Area Lift Station (L32A) project. The draft Facility Plan compares options for the lift station and the potential impacts. The public is invited to attend the public hearing to provide comments on and learn more about the draft Facility Plan.
