

May 16, 2023

The sidewalk restoration work along the north side of 10th Street has been rescheduled for **Friday, May 19**.

During this work, a pedestrian detour will be in place and one lane of traffic on 10th Street will be closed. This work is anticipated to last no more than two days, weather permitting. **Please exercise caution when traveling through the area. Follow any posted signage and do not cross any fenced off areas.** A map of the pedestrian detour is shown below.
