

Questions & Answers

1. Will residents be able to access their homes when County Road 19 is closed?

Yes, access will remain open to local traffic for residents that live directly off County Road 19, Perkinsville Road and Sycamore Trail.

2. Will there be any overnight work?

There is currently no overnight work planned for this project. Residents will be notified in advance of any nightwork occurring.

3. How often will County Road 19 be closed?

County Road 19 will be closed to through traffic twice. Once at the start of construction and then once more approximately 4-6 weeks later.

4. What other impacts will occur on County Road 19?

When crews are installing the new sanitary sewer pipes under County Road 19, a lane closure will be required. Flaggers will direct traffic around the work zone one direction at a time.

5. If any questions or concerns arise after work begins, who do I contact?

You can reach out to project staff anytime by email or phone, see contact information below.

6. Will traffic be monitored on local roads?

Yes, project staff are working directly with local law enforcement who will help monitor traffic volumes on local roads. If you feel traffic volumes are becoming an issue, we encourage you to reach out to the project. If you have speeding concerns or any traffic safety concerns, we encourage you to report those directly to your local law enforcement.
