

*Crews will have the project site cleaned up by 7 p.m. Thursday, July 2, for the holiday weekend. Work resumes on Monday, July 6.*

## Lift station work continues

Crews completed installation of the new roof and the outside concrete slab at the MCES Lift Station in Maple Plain. Crews have started updating the plumbing, electrical and HVAC system inside of the lift station.

### Additional project information

More information is available on our project website (including our virtual presentation) at: [metro council.org/sewerconstruction/medina](http://metro council.org/sewerconstruction/medina).

*Construction activities and schedules are subject to change due to weather and other unforeseen circumstances.*

*Concrete sidewalk is installed around the concrete slab at the MCES lift station in Maple Plain*
