

38th Street Sewer Repair Project

May 26, 2022

The Metropolitan Council Environmental Services (MCES) has completed repairs to the sanitary sewer tunnel that runs under 38th Street between 27th Avenue and Edmund Boulevard. Crews are pouring the final batches of concrete around the maintenance holes in preparation for City crews to complete final paving in the area.

Crews will have the site cleaned up by 7 p.m. Thursday, May 26 for the holiday weekend. Work will resume at 7 a.m. on Tuesday, May 31.

Closures on 38th Street between Hiawatha Avenue and W River Parkway

For sanitary sewer cleaning and repairs, and pavement removals around the maintenance holes

Current closures:

- 36th Avenue to 37th Avenue
 - This area is **closed through May 31 (end of day)**
 - The intersections and alleys will remain open to N/S traffic
- 38th Avenue 39th Avenue
 - This area is **closed through May 31 (end of day)**
 - The intersections and alleys will remain open to N/S traffic
- 40th Avenue to 43rd Avenue
 - This area is **closed May 31 (end of day)**
 - The intersections and alleys will remain open to N/S traffic
- 44th Avenue to 45th Avenue
 - This area is **closed through June 10**

Upcoming closures:

City crews are tentatively scheduled to pave around the maintenance holes on Monday, June 6.

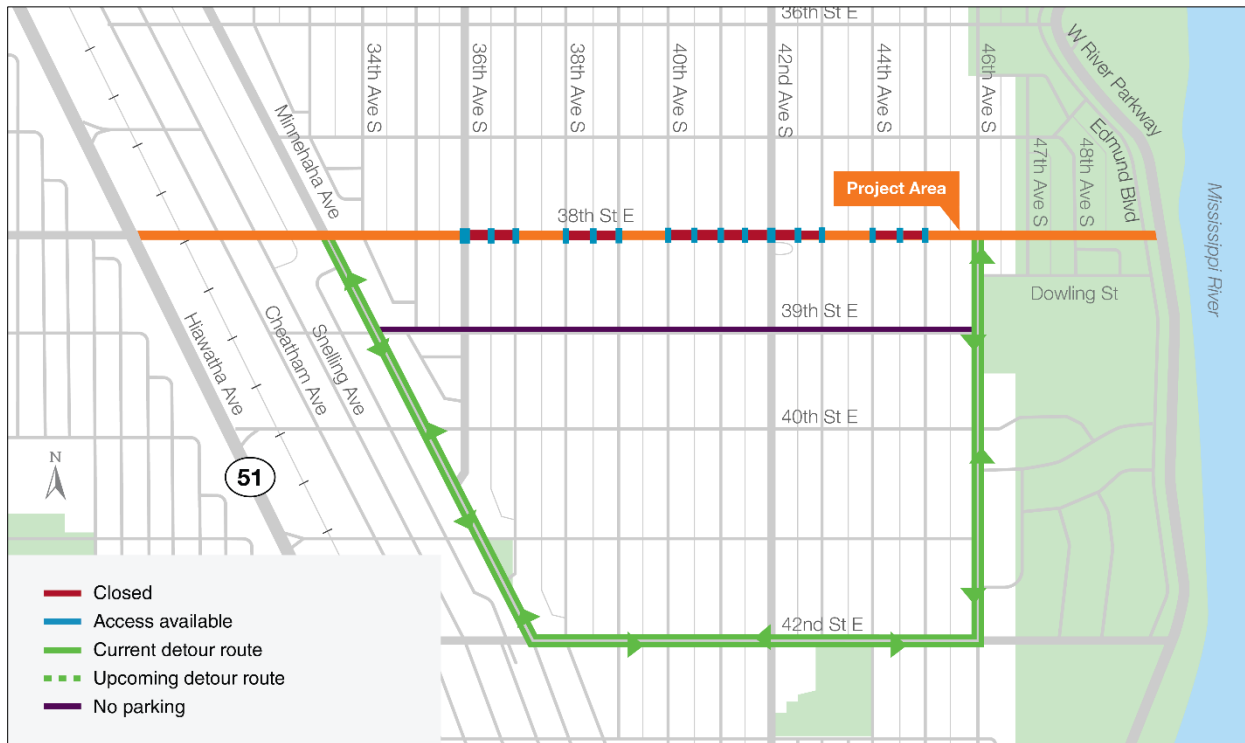

- 38th Street will have multiple section closures between Minnehaha Avenue and Edmund Boulevard during paving operations. More information will be provided in our next project update.

The schedule is weather dependent and subject to change.

Intermittent closures

Intermittent closures will continue to occur on 38th Street between Cheatham Avenue and Edmund Boulevard through June. These closures are needed to complete the sewer cleaning work and for City crews to complete asphalt patching near the maintenance holes.

No parking

- Along the north side of 39th Street from Minnehaha Avenue to 46th Avenue

This is to allow room along the bus detour route while 38th Street is closed between Minnehaha and 46th Avenues. These restrictions will remain in effect through mid-June, or until paving operations are completed on 38th Street between Minnehaha and 36th Avenues.

Metro Transit Bus Detours

Metro Transit buses will detour around the closure areas as part of MCES' construction project along 38th Street.
