No parking

No parking is allowed along the north side of 39th Street between Minnehaha and 36th Avenues, and along the east side of 36th Avenue between 38th and 39th Streets. This is to allow room along the bus detour route while 38th Street is closed between 34th and 35th Avenues. These restrictions will remain in effect through May, or until cleaning and paving operations are completed on 38th Street between Minnehaha and 36th Avenues.
