

MEI Rehabilitation

10th Avenue & 2nd Street

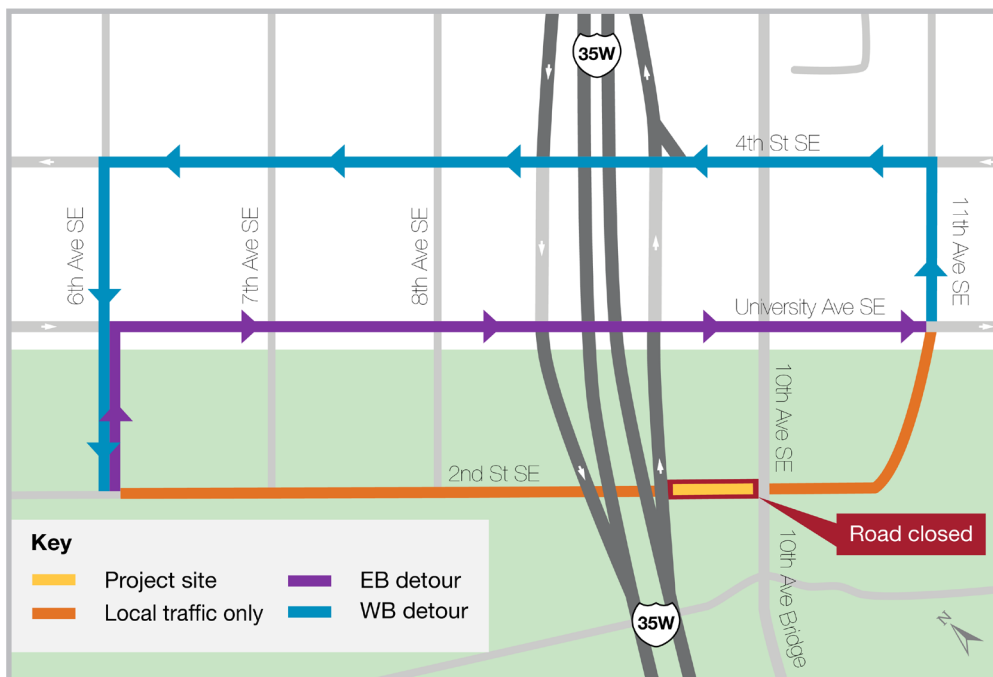

Construction begins April 18

Rehabilitation on the MEI system near 10th Avenue and 2nd Street will begin Monday, April 18 and is estimated to be completed in September.

Rehabilitation in this area includes:

- Pavement and curb removals.
- Rehabilitation of sanitary sewer structures.
- Clean up and restoration of any disturbed areas.

Detour map

What to expect during construction

- 2nd Street will be closed to all traffic between the 35W and 10th Avenue overpasses.
- 2nd Street will remain open to local traffic between 6th Avenue and the 35W overpass and between the 10th Avenue overpass and 11th Avenue.
- No parking will be available on 2nd Street between the 35W overpass and 11th Avenue during this work.
- Pedestrian and bicyclist access will be maintained around the work site on 2nd Street. Please follow any posted detour signs.
- Noise, dust, and odors generated in and around the work area.
