

MEI Rehabilitation

January 18, 2024

Activities resume near Otis Avenue & Pelham Boulevard in St. Paul

Crews are resuming work on the underground sanitary sewer structures near Otis Avenue and Pelham Boulevard. This work will include exposing the power vault, work on the electrical structures, and removing and replacing sanitary sewer structures. Work at this location is anticipated to continue through early summer.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances.
