

Work on 2nd Street SE continues

Crews have begun rehabilitating the MEI system under 2nd Street SE between the I-35W and 10th Avenue overpasses. During this work, 2nd Street SE will remain closed to all traffic between the overpasses.

Traffic detour routes

Westbound traffic is detoured using 11th Avenue SE, 4th Street SE, and 6th Avenue SE. Eastbound traffic is detoured using 6th Avenue SE and University Avenue SE.

Businesses & local access

2nd Street SE will remain open to local traffic between 6th Avenue SE and the I-35W overpass and between the 10th Avenue overpass and 11th Avenue SE.

See below for more information

Pedestrian & bicycle access

Pedestrian and bicycle access will be maintained around the work site on 2nd Street SE. Please follow any posted detour signs.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances
