Marshall Street lane closure begins Monday, November 29

Crews will soon begin cleaning the sanitary sewer pipes under Marshall Street and Randolph Street from 22nd Avenue to 25th Avenue. Starting at 6 a.m. on Monday, November 29, the northbound lane of Marshall Street will be closed to through traffic between 22nd Avenue and 23rd Avenue (see map).

Northbound traffic will be detoured using Broadway Street, 2nd Street, and Lowry Avenue. Marshall Street will remain open to southbound traffic in this area.

Business access
Access to businesses will remain open to northbound traffic between Broadway Street and 22nd Avenue.

Residential access
Access to driveways off Marshall Street between 22nd Avenue and 23rd Avenue will remain open. There may be periodic, short-term delays while crews move equipment and materials in the area.

Sewer cleaning
Cleaning will occur Monday through Friday between 7 a.m. and 7 p.m. and may include some Saturdays between 7 a.m. and 3:30 p.m. This work is estimated to be completed by the end of January 2022, but is dependent on weather and other factors, including how much debris is in the sewer pipe.
Rehabilitation work continues near Marshall Street and 22nd Avenue

Crews continue working on rehabilitating the sewer pipes and structures near 22nd Avenue and Marshall Street. 22nd Avenue remains closed to through traffic between Marshall Street and Grand Street.

Residential access

Residents off 22nd Avenue between Marshall Street and Grand Street should continue to access their homes from Grand Street or access the alleyway from 23rd Avenue. No access is available from Marshall Street to 22nd Avenue.

Other road and sidewalk impacts

Temporary parking impacts remain along the east side of Marshall Street and on 22nd Avenue between Marshall Street and California Street.

Sidewalk closures may be necessary to complete this work. Pedestrians should watch for any posted detour signs around the work areas.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances
