

Marshall Street

Crews continue to work on the sanitary sewer structures under Marshall Street at the 22nd Avenue intersection. Work will be ongoing through late November/early December.

Business and local access reminder

Access to businesses along Marshall Street between Lowry Avenue and Broadway Street remain open.

Access to driveways off Marshall Street between 22nd and 23rd Avenues remain open. Residents off 22nd Street should access their homes using Grand Street. There may be periodic delays while crews move equipment and materials in the area.

Other projects in the area

CenterPoint Energy is also working on making improvements to their pipelines in the area. Their work will require other nearby road closures. You can visit their [project website](#) for more information. They can also be reached by phone at 612-321-6369 or by email them at csv.constructionservices@centerpointenergy.com.

Upcoming work

Otis Avenue & Pelham Boulevard

Expect to see crews working near Otis Avenue and Pelham Boulevard toward the end of October. They will be replacing the roof of the building on site. No traffic impacts are expected.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances
