Van White Memorial Blvd Closed for Emergency Pipe Repair

Work beginning ASAP

Van White Memorial Blvd is closed between I-394 and 2nd Ave N. (see map) for an emergency pipe repair. Metropolitan Council Environmental Services (MCES), is working to repair approximately 80-feet of pipe that runs under Van White Memorial Blvd.

Crews are working as quickly as they can to get the pipe repaired. Northbound Van White Memorial Blvd will reopen to traffic by Friday, Oct. 4. Southbound Van White Memorial Blvd will remain closed until the repairs are complete. Motorists should follow the posted detour.
