Minnehaha Avenue closure Dec. 9 – Dec. 20, 2019

Beginning Dec. 9, Minnehaha Avenue between Nawadaha Boulevard and Godfrey Parkway will be closed until Dec. 20. Construction crews will be working to bury temporary wastewater conveyance pipes across this section of Minnehaha Avenue as part of the Metropolitan Council Environmental Services Minnehaha Park Area Regional Sewer Improvements Project.

During this detour, traffic will be detoured to 46th Street, 34th Avenue and Minnehaha Parkway (see detour map below). Signs will be posted on the detour route.

Residents will be able to access homes on Minnehaha Avenue from 46th Street.

The pedestrian and bicyclist trails on both sides of Minnehaha Avenue between Nawadaha Boulevard and Godfrey Parkway will have closures. Trail closures will alternate so only one side is closed a time. Detour signs will be provided for the trail closures.

*Construction activities and schedules are subject to change due to weather and other unforeseen circumstances.*
