Minnehaha Avenue will remain closed between Nawadaha Boulevard and Godfrey Parkway to complete restoration of the concrete sidewalks and curbs, and to pave the roadway. Weather permitting, concrete pours will occur next week, and asphalt paving will follow once the concrete has cured. Minnehaha Avenue will reopen after paving is completed later this month.

Drivers, pedestrians, and bicyclists should continue to follow the posted detour routes.

Safety reminder
Trail users, for your safety, please remember to follow any posted detour signs and do not cross the fenced off areas.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances.
