

Minnehaha Park Area Regional Sewer Improvements Project

October 13, 2021

Activities through mid-November

Crews are working to complete cleanup and restoration activities, and other miscellaneous tasks at the Emergency Relief Structure that is located north of Minnehaha Parkway and west of Minnehaha Creek. There may be short-term traffic delays as crews work in the area. Activities are anticipated to be completed in late January 2022.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances.
