

Minnetrissa: Periodic activities continue through April

Periodic activities will continue at the lift station located near the intersection of Hwy 7 and Highland Road through April. These activities are dependent on weather and material deliveries. Crews are anticipated to resume work along Hwy 7 in May, this will depend on weather and when winter thaw occurs.

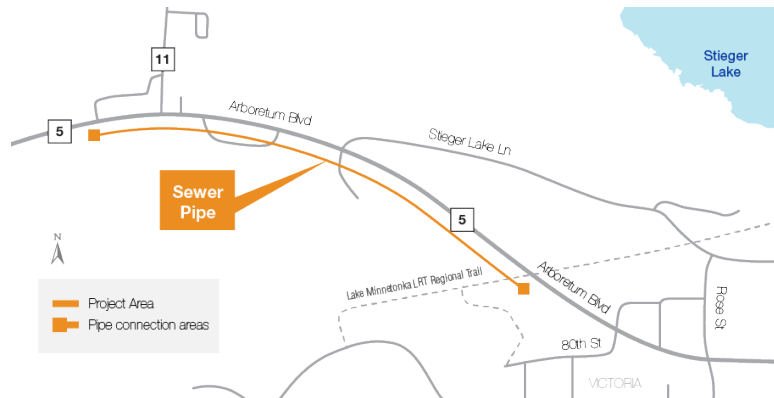

Safety advisory:

Travelers should pay extra attention as crews will be moving equipment and materials around the area.

Victoria: Construction activities anticipated to begin in May

Construction activities are anticipated to begin along Hwy 5 from just west of Victoria Drive to just east of the Lake Minnetonka LRT Regional Trail in Victoria in May.

This schedule is tentative and depends on weather and winter thaw. More information will be provided in future updates later this spring before work begins.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances
