Activities through August

Westedge Boulevard/County Road 44 between Sinclair Road and Highway 7:

- Crews will continue landscape restoration activities.
- Site cleanup activities and other miscellaneous tasks will continue as needed.
- These activities may require lane closures. Flaggers will be on site to direct traffic around the work for one direction at a time as needed.

*If you are traveling through the area, please allow extra travel time and watch for posted signs, construction workers and materials/equipment.*

Construction activities are subject to change due to weather and other unforeseen impacts.

Other projects in the area

Shoreline Drive and Shadywood Road intersection improvement

Hennepin County, in coordination with Minnesota Department of Transportation (MnDOT) and the City of Orono, is making improvements to the Shoreline Drive (County Road 15) and Shadywood Road (County Road 19) intersection. For more information on this project, visit their project website at: [https://www.hennepin.us/residents/transportation/shoreline-shadywood-intersection](https://www.hennepin.us/residents/transportation/shoreline-shadywood-intersection).

County Road 15 road and drainage improvements

Hennepin County is making road and drainage improvements on County Road 15 between Market Avenue/Dalchow Road and Westedge Boulevard in Minnetrista. For more information on this project, visit their project website at: [https://www.hennepin.us/residents/transportation/cr15improvements](https://www.hennepin.us/residents/transportation/cr15improvements).

Highway 7 drainage improvement

MnDOT will be making improvements on Highway 7 between Merrywood Lane and Waterford Lane to improve drainage in the area. Construction is anticipated to occur August through October of this year. For more information on this project, visit their project website at: [https://www.dot.state.mn.us/metro/projects/hwy7victoria/index.html](https://www.dot.state.mn.us/metro/projects/hwy7victoria/index.html).
