Activities through June

Westedge Boulevard between Halstead Lane and Sinclair Road:
- Crews continue working on remaining landscape restoration and final site cleanup activities.

County Road 44 between Sinclair Road and Highway 7:
- Crews will continue working on landscape restoration and other miscellaneous activities near the Eagle Bluff neighborhood.
- Crews will continue prepping for landscape restoration and planting the boulevards with grass seed.
- Site cleanup activities and other miscellaneous tasks will continue as needed.
- These activities may require lane closures. Flaggers will be on site to direct traffic around the work for one direction at a time as needed.

If you are traveling through the area, please allow extra travel time and watch for posted signs, construction workers and materials/equipment.

Construction activities are subject to change due to weather and other unforeseen impacts.

Other projects in the area

Shoreline Drive and Shadywood Road intersection improvement
Hennepin County, in coordination with Minnesota Department of Transportation (MnDOT) and the City of Orono, is making improvements to the Shoreline Drive (County Road 15) and Shadywood Road (County Road 19) intersection. For more information on this project, visit their project website at: https://www.hennepin.us/residents/transportation/shoreline-shadywood-intersection.

County Road 15 road and drainage improvements
Hennepin County will make road and drainage improvements on County Road 15 between Market Avenue/Dalchow Road and Westedge Boulevard in Minnetrista. Construction is anticipated to begin this summer. For more information on this project, visit their project website at: https://www.hennepin.us/residents/transportation/cr15improvements.
