Activities for the week of June 24

- **Westedge Blvd/CR 44 between Halstead Ln and Sinclair Rd:**
  - Crews continue prepping, seeding, and watering areas along the boulevard.

- **CR 44 at Halstead Bay Bridge:**
  - Crews will be working on connections to the pipe under the channel, in preparation for the final connections to new sewer pipe under CR 44 later this year.
  - **Reminder:** CR 44 will close again later this year to complete sewer connections.

- **CR 44 between Halstead Bay Bridge and Shady Ln:**
  - CR 44 is closed to all traffic between just south of Maple Forest and Shady Ln. CR 44 will remain closed to through traffic until late fall.
  - Crews continue installing underground utility pipes between Stonebridge Rd and Maple Forest for the next couple of weeks. Access will change as crews move north; please remember to check the directional signs at your neighborhood entrances.
  - Crews also continue rebuilding the road between Trillium Ln and Shady Ln and will move north following the underground pipe installation crew.
  - Crews will continue setting up temporary aboveground wastewater conveyance pipes from just south of Loring Dr to approximately 1,300 feet north. Short-term road restrictions will occur at intersections and driveways off CR 44, where crews will bury the temporary pipe. Residents will receive notification in advance and staff on site will help coordinate access.

- **Along Hwy 7 between Merrywood Ln and Virginia Dr:**
  - Pipe lining and rehabilitation continues and is anticipated to be completed before July 4th. Clean up activities will follow.

- **Speed limit reduced on Westedge Blvd/CR 44:**
  - The speed limit on Westedge Blvd/CR 44 between Bartlett Blvd/CR 110 and Hwy 7 has been temporarily reduced. The posted speed limit varies by location, so please pay attention to the posted signs.

If you live in the area and need to drive by locations where crews are working, be aware that there may be lane shifts or lane closures. During lane closures, flaggers will direct traffic around the work for one direction at a time as needed.

For your safety, the safety of neighborhood residents and our workers, please slow down and allow extra travel time around the area.

Construction activities are subject to change due to weather, schedule, and unforeseen impacts.
