

Vadnais Heights Area Regional Sewer Improvements Project

APRIL 23, 2019 CONSTRUCTION UPDATE

(dates are approximate and dependent on weather/construction conditions)

Construction Update

Work Near Highway 61 & I-694

Crews will continue working on the new underground meter station at the end of County Road D Court. During this time, nearby businesses will see construction crews, equipment, and materials accessing the area. We anticipate this work will be complete this summer. Restoration will occur in this area after the meter station work is complete.

Work Near Highway 36 & Highway 61

Restoration in this area will continue over the next few weeks, including removing the remaining temporary conveyance pipe, replacing curb and gutter, paving patches and completing the additional seeding throughout the project area.

Please keep your distance from any materials and equipment, especially our temporary conveyance pipes. Only authorized personnel are permitted in our work areas. We want you and our crews to stay safe during construction.

Who Should You Contact?
