

Lake Street Siphon Inspection and West Meters Odor Control Modifications

April 21, 2021

Work has begun at the West Meters Odor Control Facility

Crews have started working on the West Meters Odor Control Facility (see map below). Residents and businesses in the area may experience a temporary increase in odors while crews make improvements to the odor control equipment. Work that could cause the temporary increase in odors should be completed in approximately 4-6 weeks.

Winchester Trail users

Trail users please look for posted signs, barricades, construction workers, and equipment/materials in the area.

Construction activities are subject to change due to weather and other unforeseen impacts.
