The blue table will be updated with the new contact person.

**To edit:** Click on the “edit” symbol (pencil icon) in the row of the respective person whose contact information needs to be updated. The page will display a pop-up window for you to enter in the updated information. The required fields of information are denoted with a **red** asterisk. Then click on the blue “Save” button.

**Name Change:** If the person listed has a change in their name or you need to make a correction to the spelling of the name the form will not allow you to make the change. To make the correction, enter in the correct name in the “Name Change and Reason” box and provide a brief reason for the correction.

To save the record, click on the blue “**Save**” button.

The screenshot shows a web form titled "Facility Contact". At the top, a yellow banner reads "Please fill in the form, all (\*) fields are required." The form is organized into several sections:

- Salutation:** A dropdown menu with "Mrs" selected.
- Job Title:** A text input field containing "Boss".
- First Name:** A text input field containing "Jane".
- Mid Initial:** A text input field containing "E".
- Last Name:** A text input field containing "Doe".

  - Field
  - Primary
  - Signatory Authority

At the bottom of the form, there are two buttons: "Save" (highlighted in blue) and "Cancel".

The blue table will be updated with the information that was provided in the pop-up window.

Answer question **1** (below the blue table) to update the facility mailing address. If you select “Yes” for changes, additional fields will be displayed. The required fields are denoted with a **red** asterisk (\*).

Next, answer question **2** using the radio buttons provided. If there were no loads hauled to Met Council facilities answer “No.” By selecting no, you are not required to enter any totals in the fields below, but you will still need to answer the last two questions on this page. Once you have completed the questions click on the blue “Save” button and then click “Next.”

## Step 2: Reporting Period Total Volumes

### Total Volume of Liquid Waste Discharged into the Disposal Systems during the Reporting Period

Disposal Site	Waste Type	Volume	Unit
<b>Add New Record</b>			
<small>(Show/Hide Copy and Paste)</small>			
Metropolitan LWR Total Volume:		<input type="text" value="0"/>

<input type="button" value="Calculate Total Disposal Site Volumes"/>			
Total Reported Volume:		<input type="text" value="0"/>	

In this section, you will enter in the total volume of liquid waste hauled to each disposal site during the reporting period.

There are two ways to enter the data into the table:

- Manually Enter Data
- Upload the data from the Microsoft Excel template

#### A. Manually Enter Data

**To add:** Click on the **yellow** “Add New Record” button. A window will open for you to select the Disposal Site, Waste Type and enter the Volume in gallons. Click the Save button.

## B. Upload Data Using Microsoft Excel file

This section describes how to upload the total volume hauled for the period from the LWH Load Tracker template.

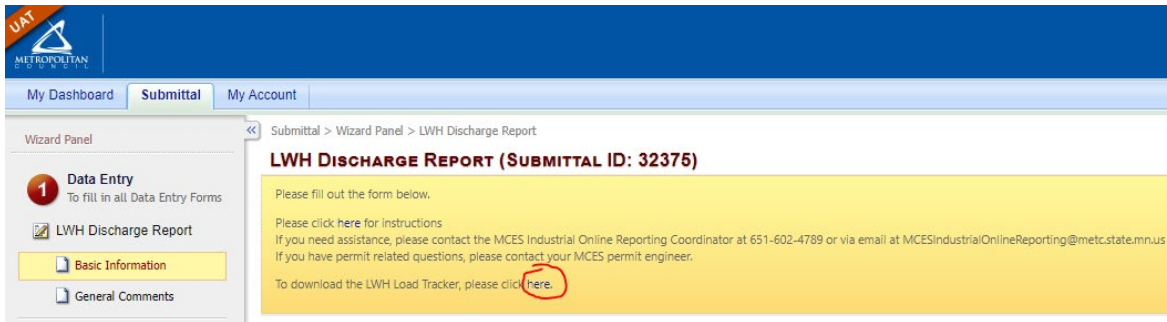

The LWH Load Tracker template is available on our Online Reporting website:

<https://metrocity.org/Wastewater-Water/Services/Industrial-Waste/Industrial-Online-Reporting-System.aspx>

Go down to the “Help sheets for online reporting” section and click on the plus symbol for the “Liquid waste hauler permit submittals” section and click on the link for the LWH Load Tracker.

OR

You can download the template from the Liquid Waste Discharge Hauler Report in the online form. In the yellow box at the top of the page the LWH Load Tracker template can be downloaded by clicking the “here” link.

The LWH Load Tracker can be used to track all the hauled loads during the reporting period. For each hauled load, you will want to enter information in columns A through F.

For these waste types, you will also need to enter data into the following fields:

Commercial Loads – Fill out columns H, I & J

Domestic Septage – No additional fields are required. Fill out H if load is from out of service area.

Holding Tank – Fill out column H & O

Industrial - Fill out columns H, K, L, & M

Landfill Leachate - Fill out column N

OSA – Hauled – Fill out columns G & H (When out of service area is Septage)

Portable Toilet – No additional fields are required.

Column P is an optional field and can be entered on any load that was hauled.

Below is an example of the LWH Load Tracker template:
