

Account Registration Instructions

To enroll in and use the MCES Industrial Online Reporting System, you must first create a user account. This document explains how to create a user account in the MCES Industrial Online Reporting System. It also **explains how to log into the system and access your account information.**

1. Log into the MCES Industrial Online Reporting System

You access the MCES Industrial Online Reporting System by using an Internet connection and web browser (Internet Explorer version 6.0 or higher, Firefox, or Chrome). The site URL is <https://www.govonlinesaas.com/MN/SPL/Public/>. You will see the login screen shown below (Figure 1). To log into the system, you must enter a valid username and password. You must complete the account registration process to obtain a valid username and password.

Welcome to the MCES Industrial Online Reporting System!

The MCES Industrial Online Report System offers the convenience of submitting required paper reports and permit renewal applications electronically to Industrial Waste & Pollution Prevention staff, which is faster, more efficient and less burdensome for both eligible facilities and MCES. This system follows EPA guidelines established in its electronic reporting rule, CROMERR (Cross-Media Electronic Reporting Rule). It supports the following features:

- Establish a user account to manage your required submittals online;
- Submit permit renewal applications;
- Submit Industrial Waste Discharge Reports and Special Discharge Reports;
- Submit compliance monitoring data required by enforcement actions issued by MCES;
- Submit Annual Statements for the Amalgam Separator Program;
- Monitor the processing status of your online submittals;
- Receive e-mail notifications regarding the processing of your online submittals;
- Receive e-mail alerts for upcoming reporting obligations; and
- Track historical versions of all online submittals.

If you need assistance, please contact the MCES Industrial Online Reporting Coordinator at 651-602-4728 or via email at MCESIndustrialOnlineReporting@metc.state.mn.us

3. Access Your Account Information

To view your account information, log into the MCES Industrial Online Reporting System and click on the “My Account” tab (Figure 12). All account information changes are made in this tab. We recommend that users review their account information during every login and update it accordingly.

The “My Account” tab is the location where you can change your password and signing PIN and update your security questions. ROs may also manage Consultants that prepare and/or submit on their behalf on this tab. In this case, the Consultant must submit an Electronic Signature Agreement form, and the RO must designate the Consultant as a Designated Authorized Representative on the form.

Figure 12. Access "My Account"

The screenshot shows the 'My Account' page with a navigation menu on the left and a main content area. The navigation menu includes 'Basic Information', 'Password', 'Security Questions', and 'Manage Consultants and Preparers'. The main content area has a breadcrumb trail: 'My Account > Profile Management > Basic Information'. There are three tabs: 'General Information', 'Address Information', and 'Associate Facilities'. A yellow message box says 'Account_UserBasicInfo not found.' and a green message box says 'Saved successfully.' The 'General Information' section contains the following form fields:
