

SOUTHWEST

Green Line LRT Extension

# Construction Kick-off

October 21, 2015

# Today's Topics

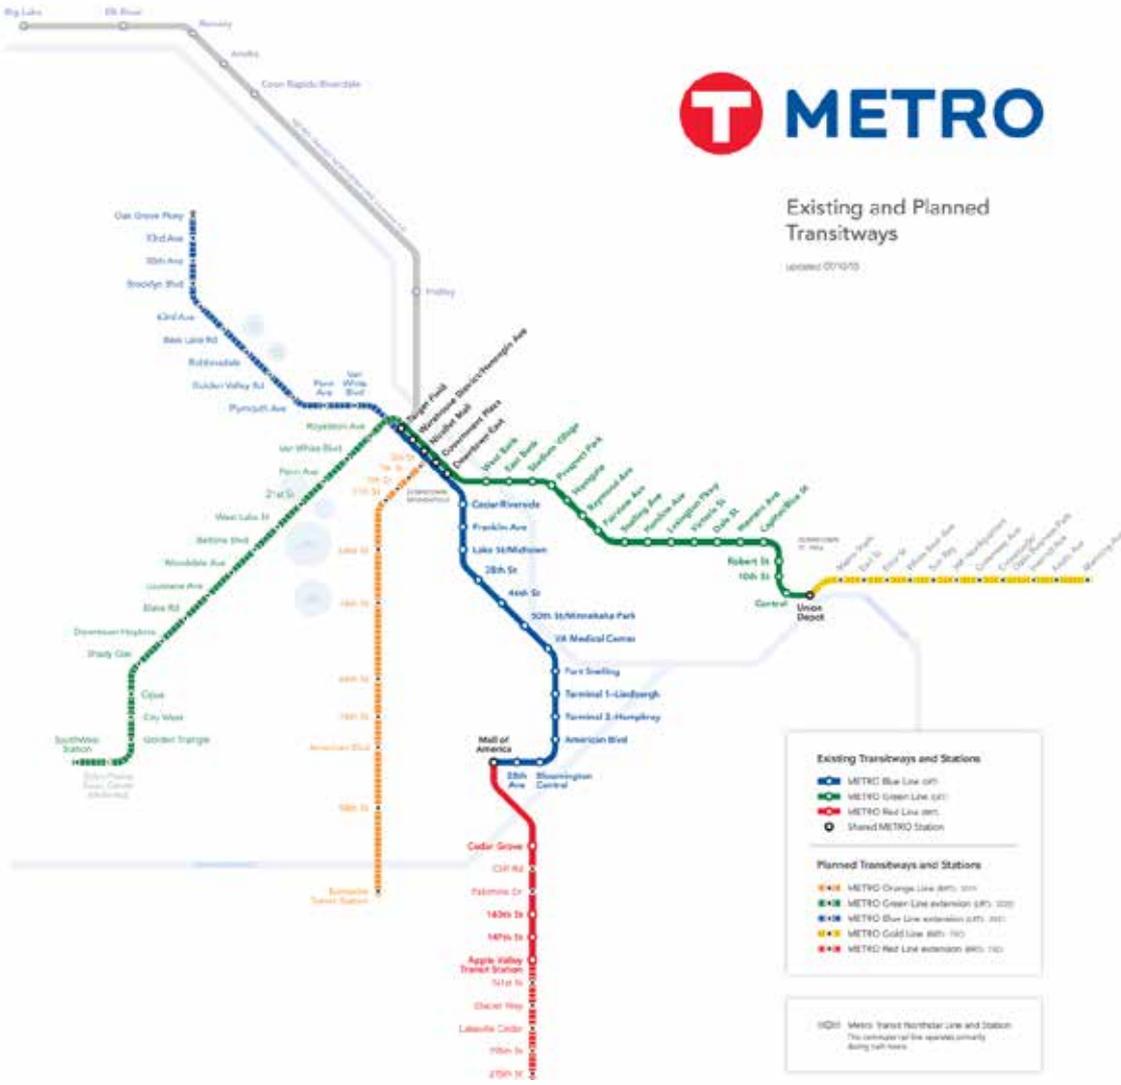

- Welcome
- Project Overview
- Construction Activities Overview
  - § Outreach and Communications
- DBE and Workforce Goals
- Met Council Bidding Process Overview

**Welcome**  
**Metropolitan Council**  
**Chair Adam Duininck**

# METRO System

- Green Line Extension (Southwest LRT)
- Blue Line Extension (Bottineau Corridor LRT)
- Orange Line (I-35 W South Bus Rapid Transit)
- Gold Line (Gateway BRT)
- Red Line Extension (Cedar Avenue BRT)

# Southwest LRT: Green Line Extension

- 34,000 average weekday rides in 2040
- Will provide single seat rides to downtown Minneapolis, U of M and St. Paul
- Connections to the Airport and Mall of America via the Blue Line

# SWLRT Project Timeline

2013

- Project Development

2014

- Municipal Consent

2014-15

- Engineering, SDEIS

2016

- Final EIS, Full Funding Grant Agreement

2017-19

- Heavy Construction

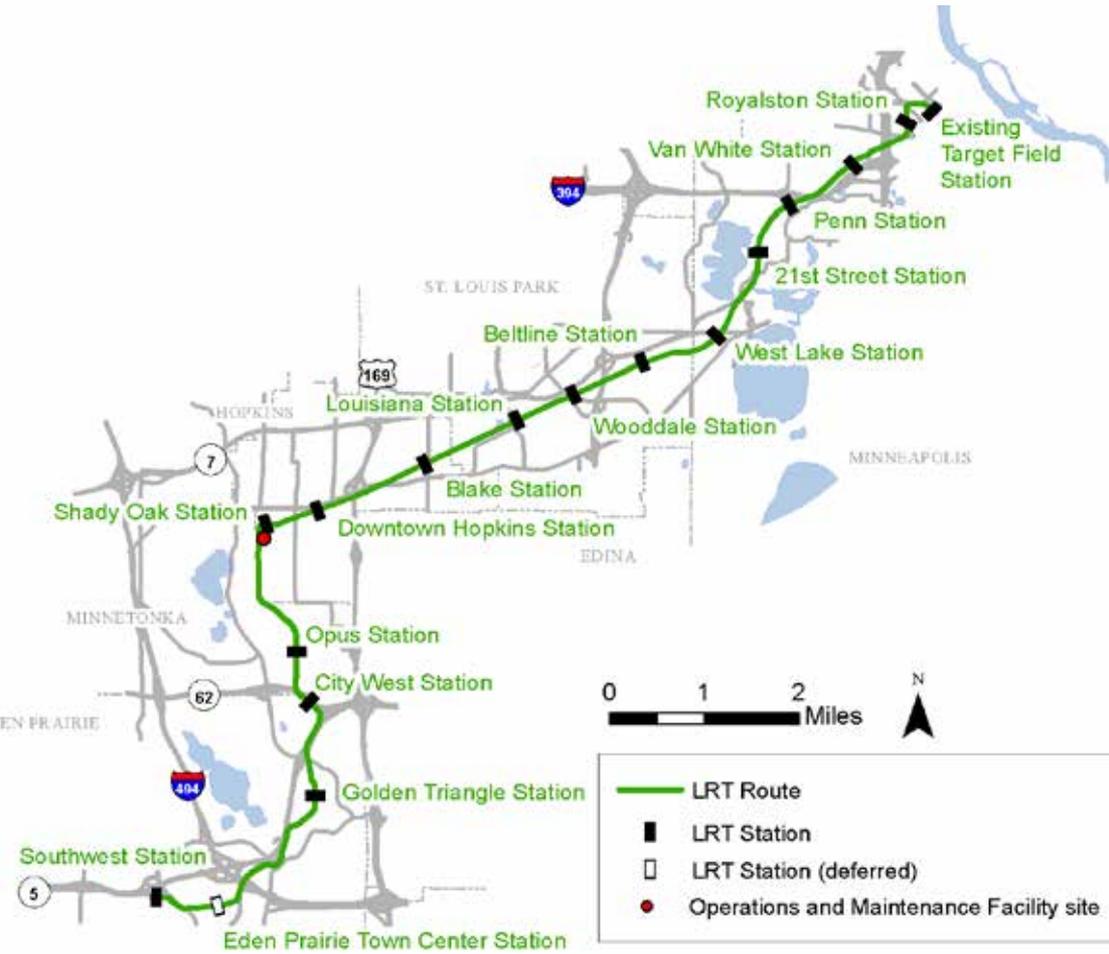

2020

- Passenger Operations

# Project Overview

# Project Overview

- 6.5 lineal miles of retaining walls
- 3.5 miles of bridge structure
- 0.6 miles of tunnels
- 69 miles of retaining wall foundation piles
- 35 track miles
- Over 1000 OCS poles
- 20 of TPSS and 25 other bungalows
- 15 at-grade crossings

# Operations & Maintenance Facility (OMF)

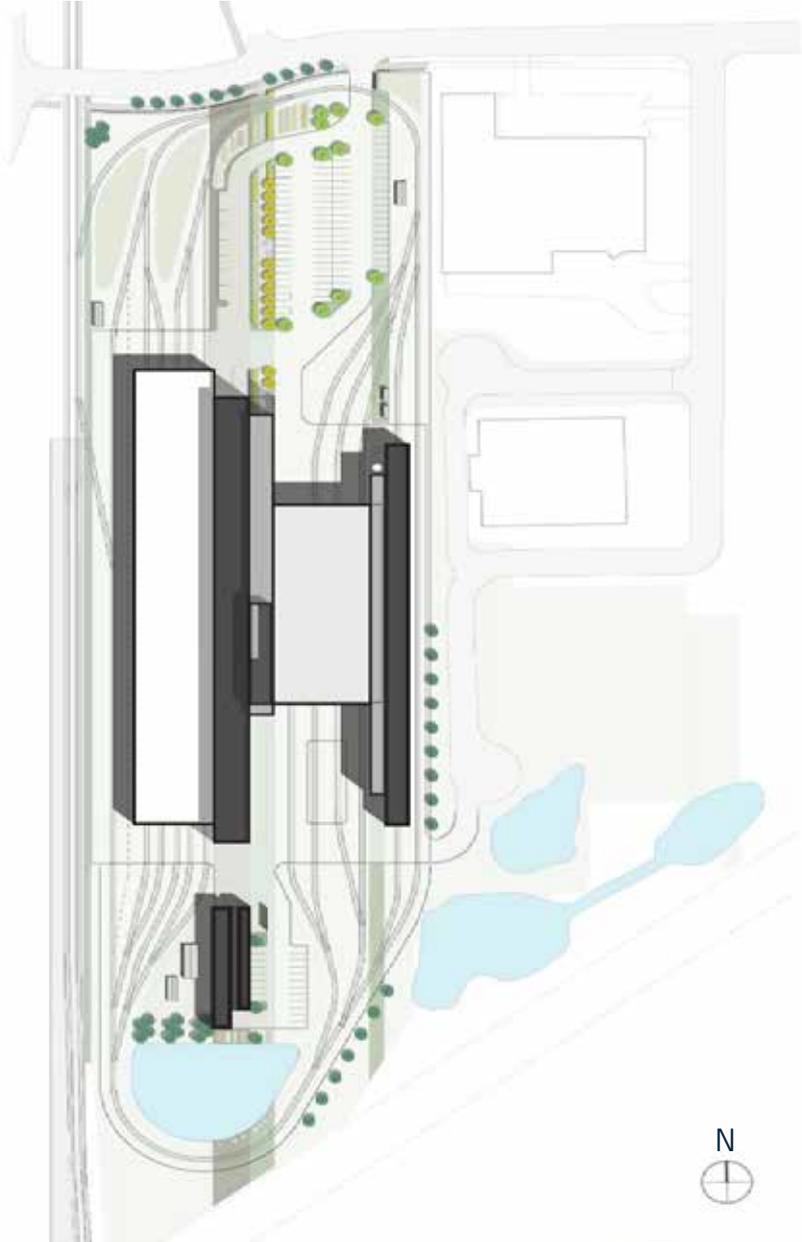

- Approximately 172,000 gross sq. ft. of floor space

APPROACH VIEW – FROM NORTH – Work In Progress

# Operations & Maintenance Facility (OMF)

- Storage for 30 LRVs

TRAIN YARD CONCEPT – SITE PLAN – Work In Progress

# Eden Prairie

Complete 60% Design	Fall 2015
Complete 90% Design	Winter/Spring 2016
Invitation for Prequalification (Civil)	Winter 2016
Complete 100% Design (Civil)	Spring 2016
Invitation for Bid (Civil)	Spring 2016
Final EIS	Spring 2016
Record of Decision	Summer 2016
Anticipated Start of Civil Construction	Fall 2016
Anticipated Start of Systems Construction	Winter 2016
Anticipated Start of OMF Construction	Spring 2017
Heavy Construction	2017-2019
Revenue Service	2020

# Construction Activities Overview

# Types of Work

- Civil Contract
  - § Track
  - § Bridges and retaining walls
  - § Tunnels
  - § Stations
  - § Electrical
  - § Roadway, curb, gutter, sidewalks
  - § Traffic signals, striping and signage
  - § Public utilities
  - § Underground systems elements
- Systems
  - § Train signal systems
  - § Communications
  - § Traction power/electrical
- OMF
  - § Building: shop, admin and train storage areas
  - § Site work
  - § Track
  - § Mechanical, electrical, plumbing

# Construction Activities: Utility Work

# Construction Activities: Roadwork

Roadway Paving

# Construction Activities: Structures

# Construction Activities: Track Work

# Construction Activities: Stations

# Construction Activities: Operations & Maintenance Facility

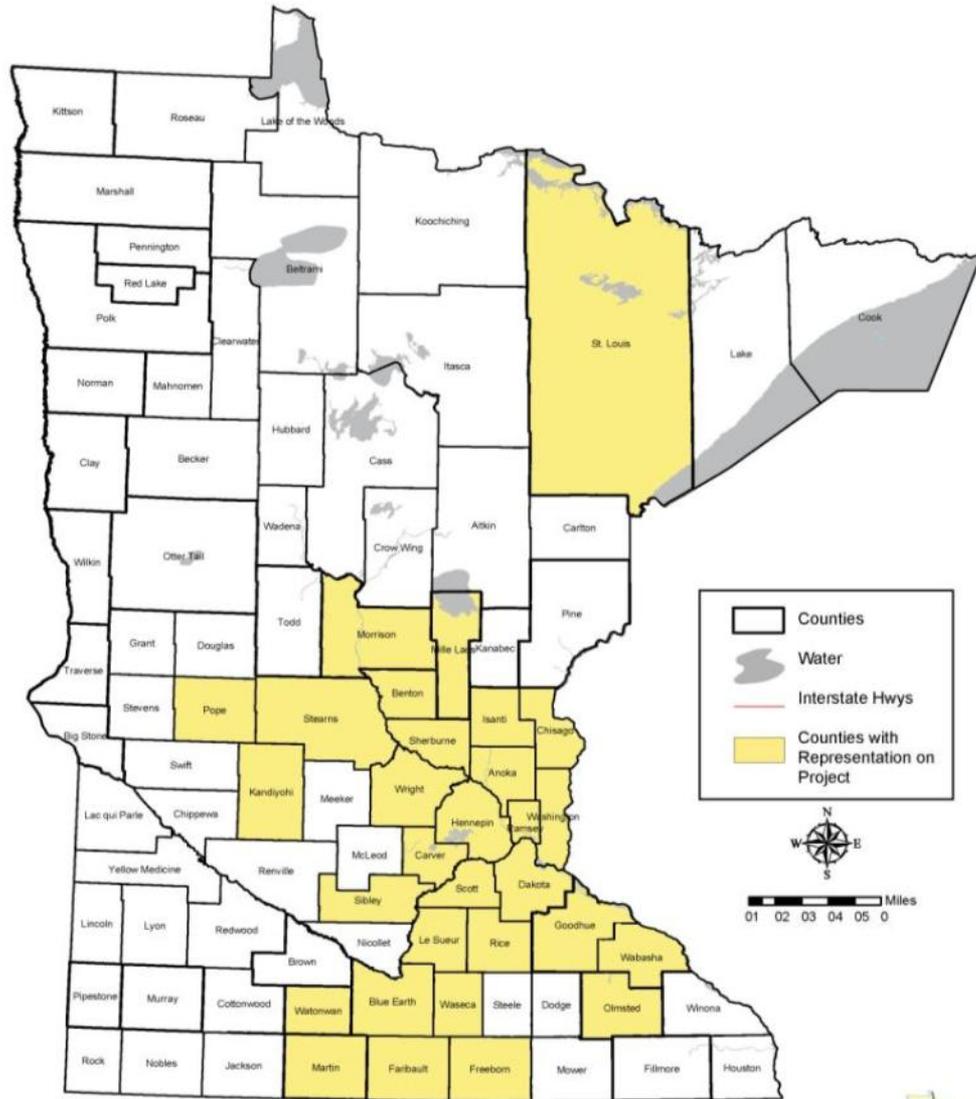

# Construction Activities: Systems

# CCLRT Subs and Suppliers by County

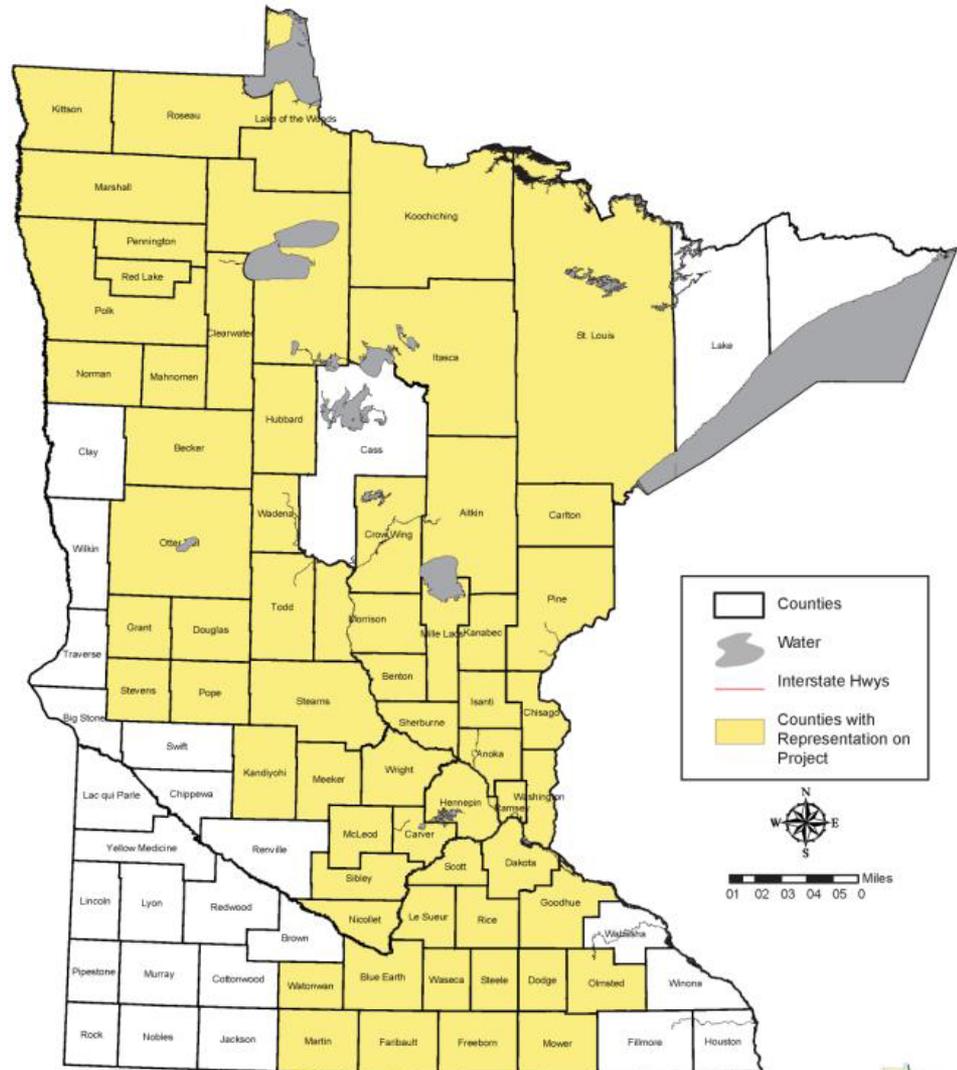

## Examples:

- Aggregate Industries
- Amcon Construction
- Bituminous Roadways
- Hardrives
- Safety Signs

# CCLRT Construction Workers Homes by County

**\$256 million CCLRT payroll benefits communities statewide**

# Construction Outreach and Communications

# Construction Outreach/Communications

- Best Practices:
  - § Outreach coordinators
  - § 24-hour construction hotline
  - § Public meetings
  - § Construction tours
  - § Neighborhood updates
  - § Media
  - § Website/social media
  - § Weekly construction updates
  - § Signage

# Construction Outreach/Communication

- Describe impacts to traveling public
  - § Road closures, detours
  - § Sidewalks, ped crossings and trails
  - § Bus detours and station relocations
- Provide contact information
- Highlight upcoming work

**Central Corridor  
Light Rail Transit  
St. Paul - University Avenue West  
Construction Update**  
April 16-22, 2011

**Support corridor businesses: Dine out and catch a show**

**Dan Simonson** (left) and **James Thissen** of **Caffe Biaggio** wait passers by to know that they can still dine at the Italian restaurant at 2356 University Ave. W. in St. Paul despite LRT construction on the street in front of them. To reach the restaurant's parking lot and front door that are behind a chain-link fence separating the sidewalk from construction, orange signs on University Avenue that say "Business Access" point people to Raymond Street, the nearest cross street, where guests can enter the parking lot behind the building and go around to the east side of the building. For more details about how to reach the restaurant during construction, visit: [www.caffebiaggio.com](http://www.caffebiaggio.com)

Artistic director **Peter Hansen** and the 100-plus seat **Gremelin Theatre** are in the shadow quite literally of LRT construction at 2400 University Ave. W. in St. Paul. But the show must go on. Hansen wants theatersgoers planning to attend performances of Anton Chekhov's play, "Uncle Vanya," this weekend on Friday, Saturday and Sunday and next weekend on April 22 and April 23 to know that they can **park for free in the lot behind US Bank** XRTy-corner to the theater at Raymond and University avenues and on streets around the building. Hansen said theatergoers frequently visit nearby Caffe Biaggio before and after plays. For more information, visit [www.gremelintheatre.org](http://www.gremelintheatre.org) or call 651-228-7000.

**For more ideas, go to:**  
[www.discovercentralcorridor.com](http://www.discovercentralcorridor.com) or  
[www.baltzer.com/discoprtrclit](http://www.baltzer.com/discoprtrclit)

**Highlights and Upcoming Work**

- Snelling is reduced to one lane in each direction between Spruce Tree and Sterburne, lanes shifted to west side of Snelling
- University at Snelling reduced to one lane in each direction on the south side of the road
- Construction preparation along University between Aldine and Syndicate will start the week of April 18 and construction is anticipated to begin starting the week of April 25
- Highway 280 will be closed April 28-May 2 for University Avenue bridge work.
- Crews start work on retaining wall on south side of University between Prior and Cleveland, sidewalk on south side of University closed. Use sidewalk on the north side of University as alternate route.

 **Metropolitan Council**

# Disadvantaged Business Enterprise & Workforce

# Topics

- What is DBE Program
- Central Corridor LRT: DBE Achievement
- DBE Monitoring
- Workforce Requirements

# What is the DBE Program?

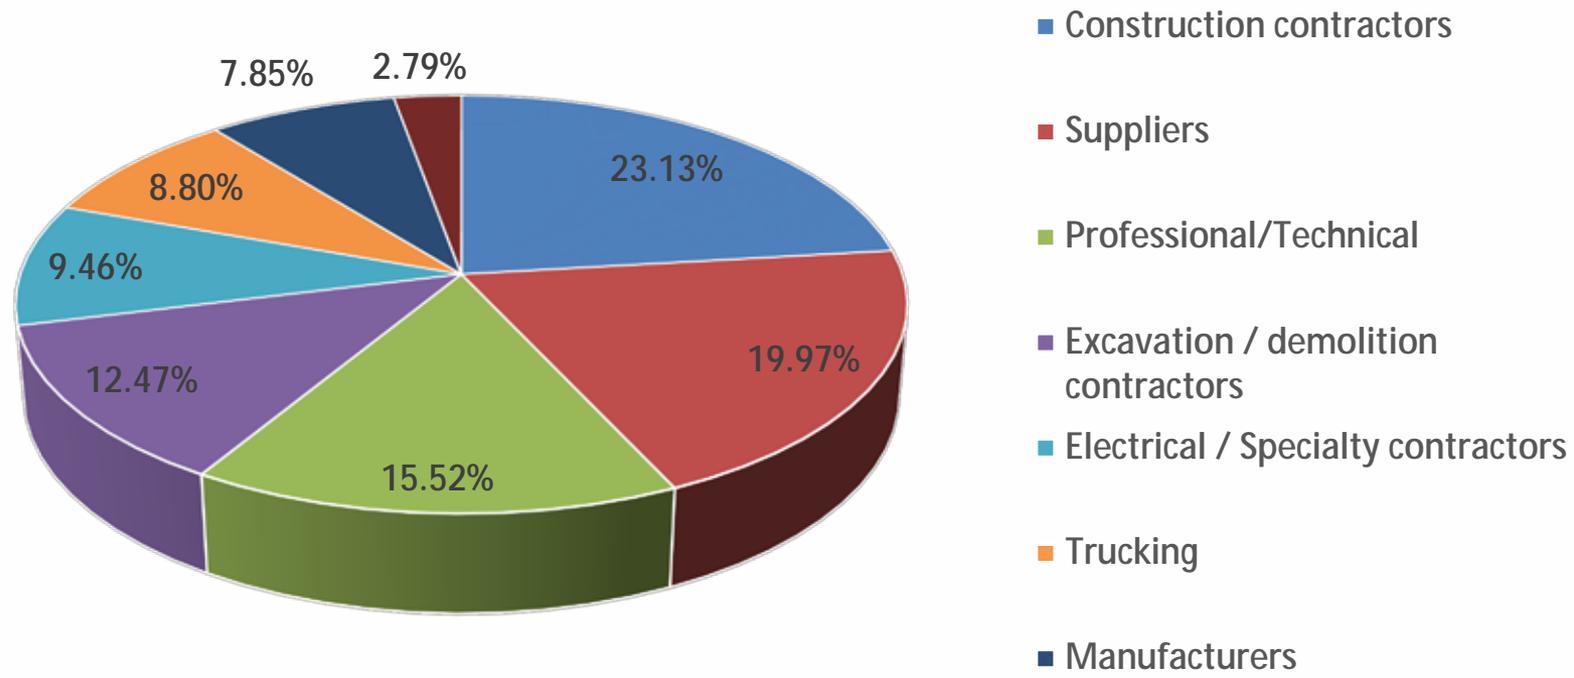

- Federal Equal Opportunity Program
- Any recipient of federal DOT funds
- Recipients that receive \$250,000 federal funding or more a year

# To Be a DBE in Minnesota:

- Must be certified by the Minnesota Unified Certification Program under 49 CFR part 26
- To find a DBE in Minnesota: [www.mnucp.org](http://www.mnucp.org)

# Central Corridor LRT DBE Work Breakdown

\$125,328,239

# Workforce / Employment Goals

- MDHR goals for Hennepin County:
  - § Women: 6% all trades
  - § Minority: 32% all trades

# Workforce Expectations for Contractors

- Demonstrated commitment to workforce goal achievement
- Outreach to community
- Knowledge of the program and how it works
- Plan for workforce/employment

# Oversight Activities

- Pre-bid info sessions
- Bid evaluation and reference checks
- Field verification interviews
- Monthly oversight committee
- Annual DBE/Workforce Summit
- Annual DBE Roundtable
- Post-project record audit

# DBECMS: Payment Verification System

## Metropolitan Council DBE Payment Verification

**CONTRACTOR** has reported a payment of **\$54149.58** made to your firm for work completed on the Southwest Light Rail Transit Project, pay app number 07A. The payment was made by **CONTRACTOR**.

If this information is correct, please click the link below to verify:

<https://dbecms.metc.state.mn.us:443/VerifyPayment.aspx?payment=5414958&id=1335>

If the amount is incorrect or the payment was not received, please contact:

Andrew Larson

## CONTRACTING OPPORTUNITIES

The Council frequently has contracting opportunities for businesses. The Council's publicly advertised solicitations for contracts are listed below. For details about specific contacts, select the contract number to see the details in PDF format. For best results use the latest version of [Acrobat Reader](#).

The Council tries to ensure that information about contracts is current and accurate. However, the only information to be relied upon for a contract solicitation is the information that is distributed to persons listed with the Council as document holders for that solicitation. To be listed, contact the person identified in the contract solicitation document. The document holders list is public information and will be distributed to whoever requests it. To request information regarding contract awards, see the [Council's Data Access Procedures \(36 pages, pdf\)](#).

**NOTE:** See important changes affecting Contracts and Project requirements (pdf) as a result of the 2014 Legislative Session.

### Divisions of the Met Council

- CD** - Community Development
- ES** - Environmental Services
- LRT** - Light Rail Transit
- MTS** - Metropolitan Transportation Services
- RA** - Regional Administration
