

Community Open Houses

SOUTHWEST LRT STATION DESIGN

Come to a community open house to see LRT station architecture concepts and learn about what goes into designing a light rail station. Metropolitan Council project staff will be on hand to receive public input and answer questions.

The Southwest LRT Project has developed several different station architecture concepts to fit into different settings. This open house is an opportunity to learn about station design and give feedback to project staff. You can also hear a brief presentation on station design at the beginning of each open house.

If you can't come in person, meeting materials and a comment form will be available online at www.swlrt.org.

Anyone who requires assistance to participate should contact Southwest LRT Assistant Public Involvement Manager Dan Pfeiffer at least seven business days before the scheduled meeting:
