

Business Item 2019-191: Waconia Interceptor 7508 Improvements

Adam Gordon, Manager, Interceptor Engineering

Environment Committee: July 9, 2019

Project Summary

Background

- 1.7-mile-long segment of Interceptor 7508 located within Highway 5 right-of-way and Lake Waconia Regional park is in need of replacement due to age and to provide future capacity
- Forcemain system serves the City of Waconia, Laketown Township, and City of Victoria
- The new segment will be constructed as a 20-inch forcemain to parallel the existing 16-inch forcemain
- Construction is scheduled for 2019 and 2020
- Work is coordinated with the City of Waconia and Carver County park and utility improvement projects

Bid Summary

- Engineer's Estimate: \$4,786,492
- Two bids received: \$4,846,946 and \$5,343,987
- Low bid received from Minger Construction Co., Inc.

Proposed Action

- That the Metropolitan Council authorize its Regional Administrator to award and execute a construction contract for the Waconia Interceptor 7508 Improvements, MCES Project No. 808320, Contract No. 18P418, with Minger Construction Co., Inc. for their low responsive, responsible bid of \$4,846,946.43.
