

Business Item 2023-153

2023 Private Property Inflow & Infiltration Task Force Report

Environment Committee: July 11, 2023

Kyle Colvin and Emily Steinweg

Inflow & Infiltration (I/I) Task Forces

Background

- Previous task forces met in 2003 - 2004, 2009 - 2010, and 2016
- 2023 Task Force appointed by Council on November 30, 2022
- Recommended action was to convene the task force to address grant funding for private property I/I mitigation, how to equitably administer said grant funding, and discuss other ways to mitigate I/I from private property

2023 Inflow & Infiltration Task Force

Review

- Task force convened in response to recommendation from 2016 task force to assist communities with private property I/I mitigation
- 2023 Task Force: representation from 16 regional communities and Metro Cities
- Four meetings between January – April 2023
- Final report with recommendations – July 2023

Report Recommendations

Program Definition

- Eligibility: Any municipality that has exceeded their I/I goal or come within 20% of their goal
- Grant amount to be 50% of eligible costs up to \$5,000. Up to \$10,000 grant for those meeting the municipality's equity criteria
- Eligible work:
 - Private lateral repair and/or replacement
 - Foundation drain disconnections and new sump pump, if associated with the foundation drain disconnect
 - Lateral televising and cleaning costs if:
 - Applicant meets the equity need of the participating municipality or;
 - Televising and cleaning result in repair or replacement of sewer lateral

Proposed Action

That the Metropolitan Council accepts the 2023 Private Property Inflow and Infiltration Task Force Report (Attachment A) and authorizes ES to implement the recommendations of the Report for the Private Property Inflow and Infiltration (I/I) Grant Program.
