Emergency Declaration Process

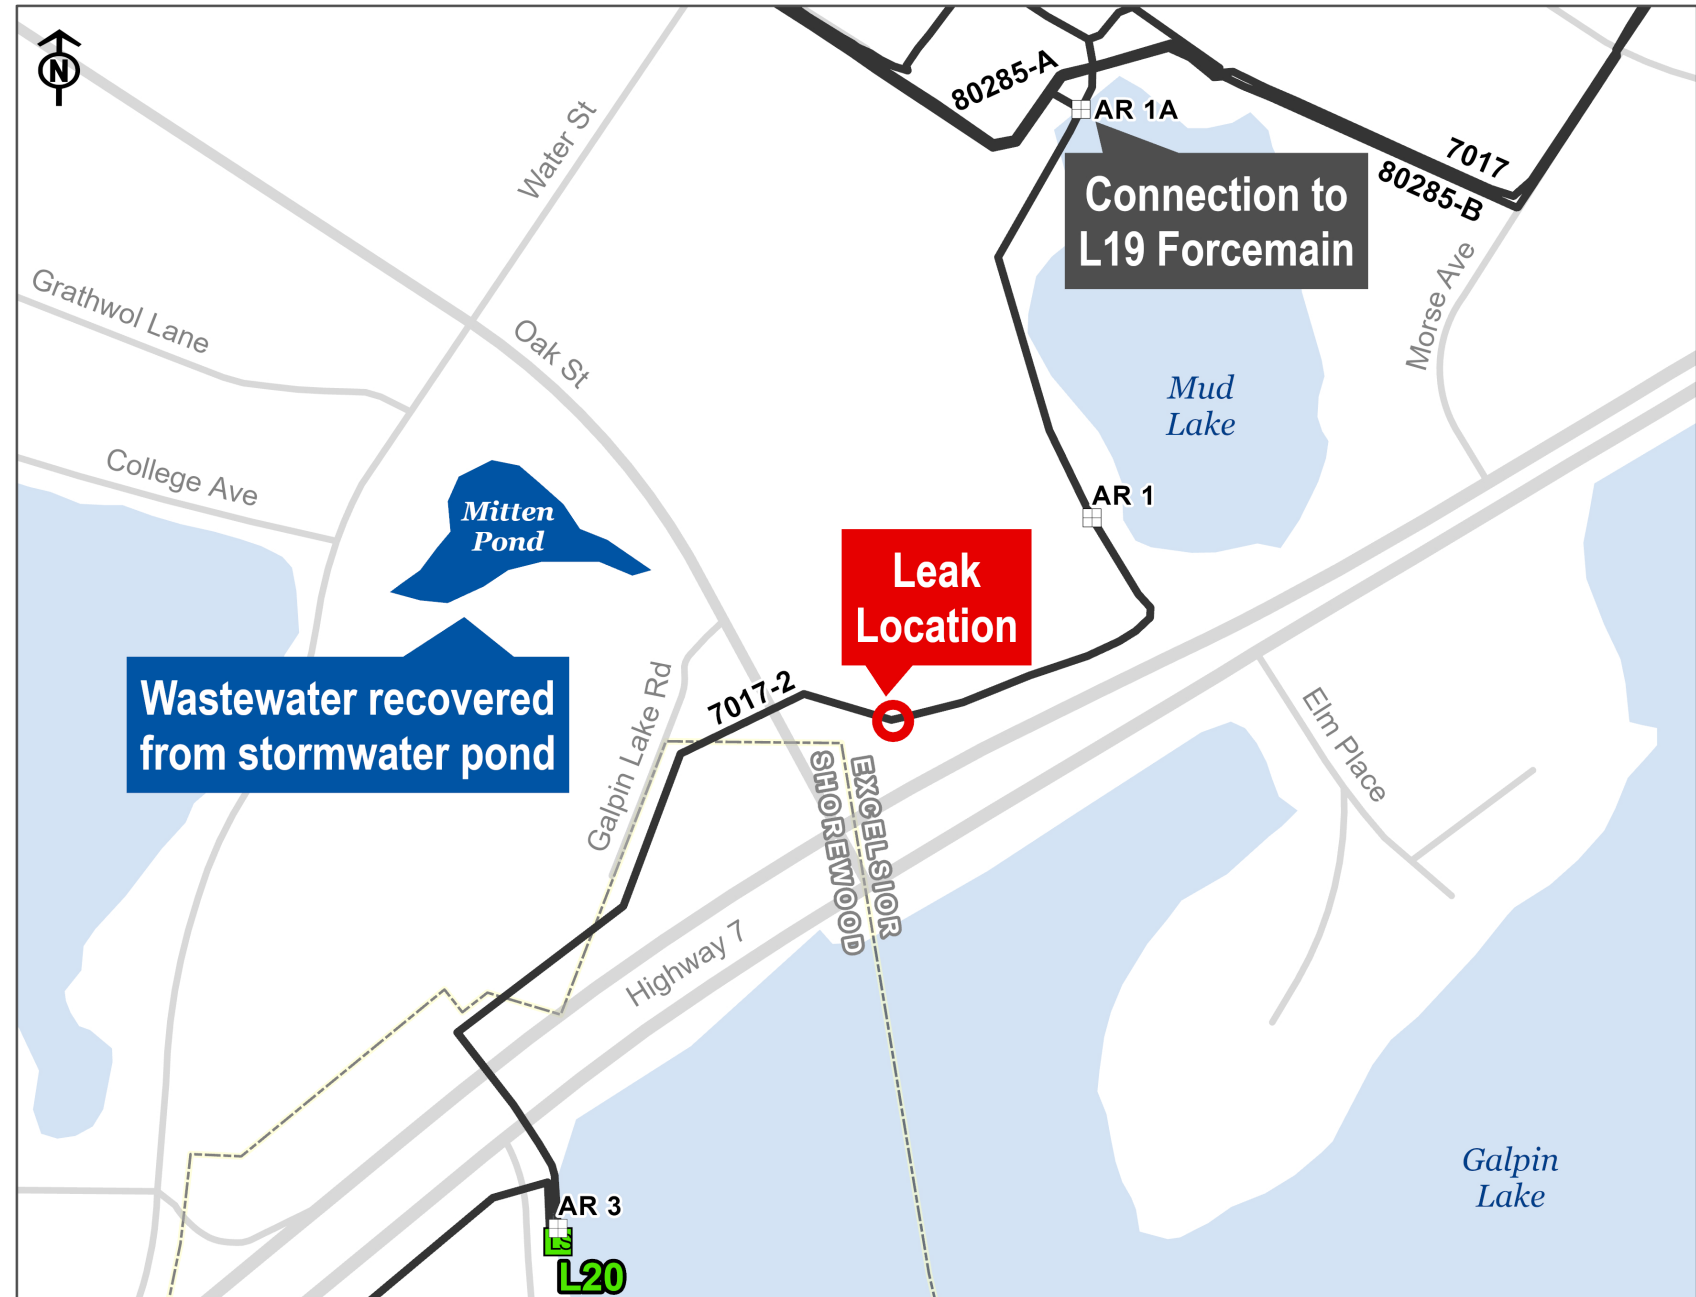

Emergency Declaration Process

- Infrastructure concern identified and investigated
- Determination made that carrying out the competitive bidding process prescribed by the Council's Procurement Policy would unacceptably delay the commencement of work to repair the facility
- Emergency Declaration document is prepared and signed by the General Manager, Environmental Services
- After review, the Emergency Declaration is authorized by the Regional Administrator, who has delegated authority pursuant to the Council's Procurement Policy.
- Contractor is selected and work begins under the direction of a Council Authorized Representative
- Emergency Declaration is ratified by Metropolitan Council, if the cost to correct the emergency exceeds \$175,000
