

# Business Item 2023-204

Revised Emergency Declaration 2023-103 for Repair of  
Minneapolis Interceptor 1-MN-330 MH 71

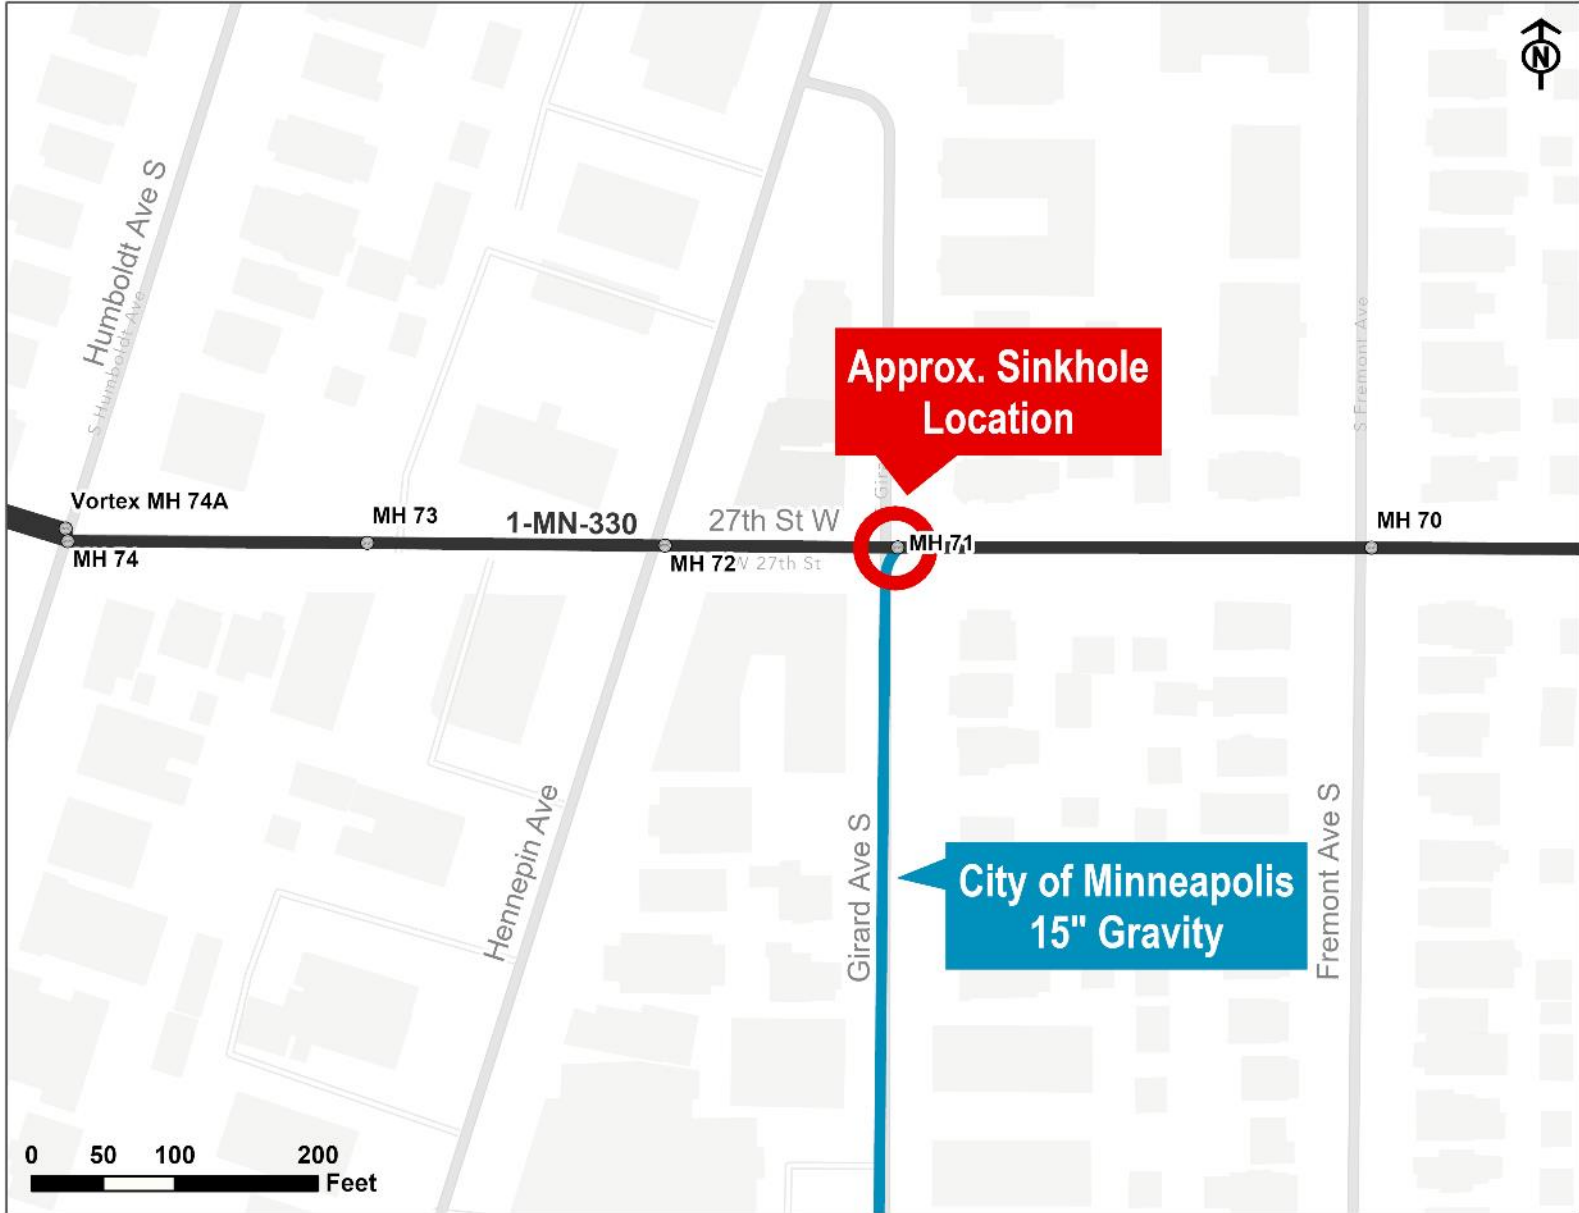

Environment Committee: September 12, 2023

Tim Wedin

# Emergency Declaration Purpose/Process

- A declared public emergency is a situation in which the health, safety, or welfare of the public or the safety of Metropolitan Council employees or facilities is compromised or potentially compromised and requires immediate action to correct.
- Infrastructure concerns are identified and investigated.
- Determination is made competitive bidding prescribed by Council's procurement policy would unacceptably delay the commencement of work to repair the facility.
- Emergency Declaration document is prepared and signed by the General Manager of Environmental Services.
- The Emergency Declaration is authorized by the Regional Administrator who has delegated authority pursuant to the Council's procurement policy.
- Contractor is selected and work begins under the direction of a Council Authorized Representative
- Emergency Declaration is ratified by Metropolitan Council if the cost to correct the emergency exceeds \$175,000

# Project Location

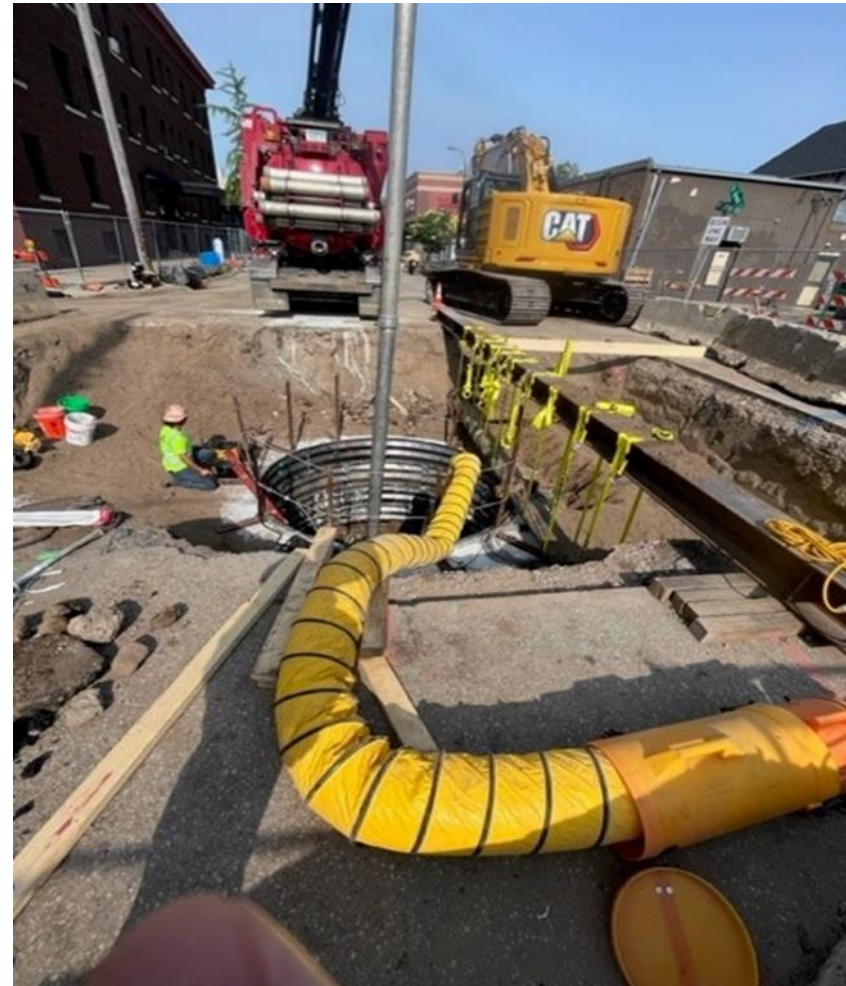

# Project Summary

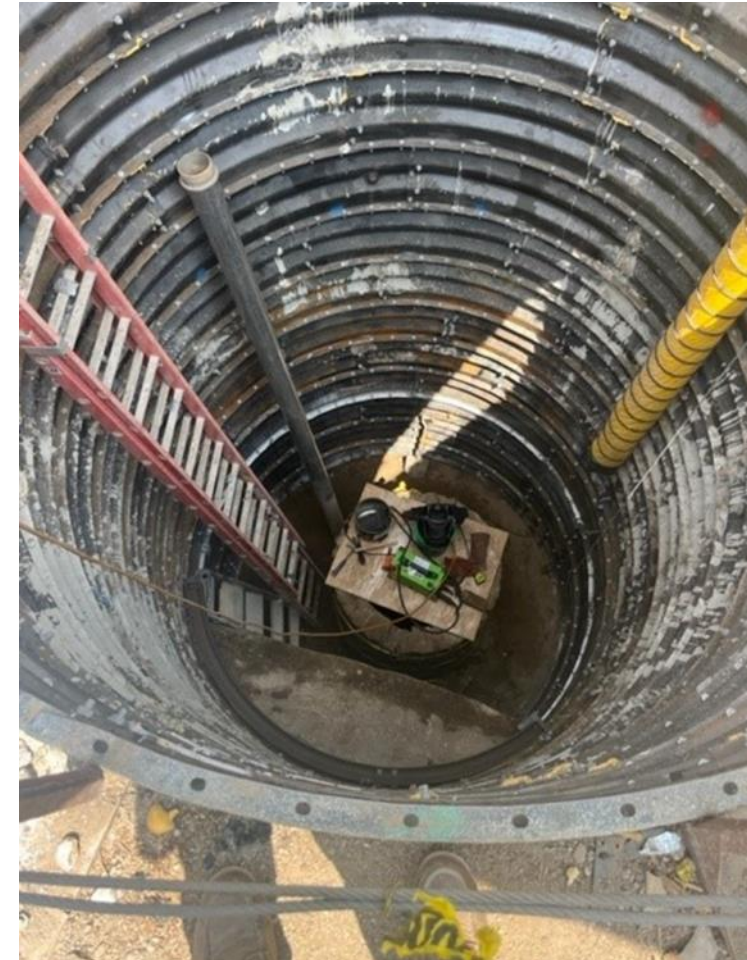

Sinkhole at 27th and Girard

Excavation opened  
Gas main supported

Retention system installed  
Storm sewer exposed

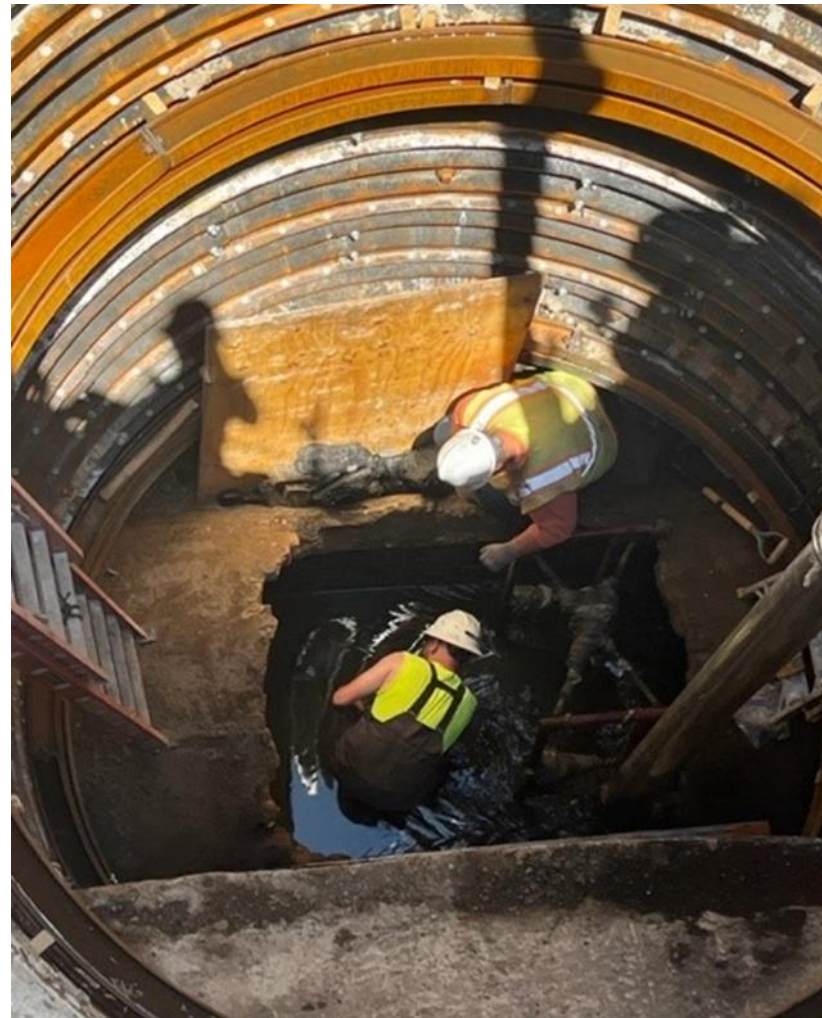

# Project Summary

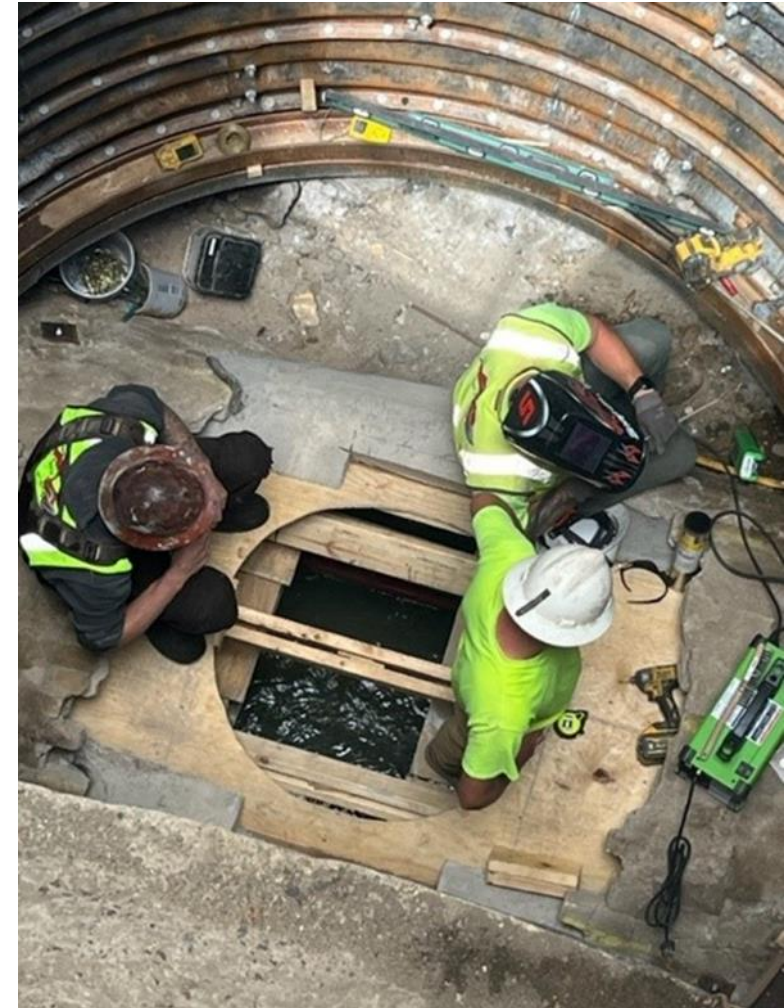

Damaged brick removed

MH/Pipe connection cleaned

Saddle poured

# Repair Scope and Estimate

- Engineering services to support repair work
- Excavation of maintenance hole structure
- Reconstruction of the existing maintenance hole
- Initial total estimated cost was approximately \$350,000.
- The final total time and material cost is approximately \$430,000.
- An additional \$80,000 needs to be authorized to cover the actual costs.

# Proposed Action

That the Metropolitan Council revise Emergency Declaration 2023-103 for repairs of the maintenance hole for Interceptor 1-MN-330 at 27th Street West and Girard Avenue South in Minneapolis, from an estimated \$350,000 to an amount not to exceed of \$430,000.
