

Appendix L
Draft EIS Comments and Responses

Guide to Appendix L

Appendix L contains comments received on the Southwest LRT (METRO Green Line Extension) Draft Environmental Impact Statement (EIS) during the public comment period held from October through December 2015, following publication of the Draft EIS on October 12, 2012. All comments received on the Draft EIS were reviewed, responded to, and incorporated into the Final EIS, as appropriate. Appendix L is divided into three parts:

- Attachment 1: Index of comments received on the Draft EIS
- Attachment 2: Comments received on the Draft EIS
- Attachment 3: Responses to comments received on the Draft EIS

These attachments are described as follows:

Attachment 1: Index of Comments Received on the Draft EIS

Attachment 1 contains a table with each of the comments received on the Draft EIS. The table includes:

- Comment ID Number: A unique comment identification number assigned to each comment
- Source: The method the comment was received (e.g., postal mail, email, public hearing, etc.)
- Commenter: The name of the individual submitting the comment, if provided
- Commenter Organization: The name of the organization, business or group, if provided
- Original Comment Page Number: The page number where the comments begin, as found in Attachment 2, Comments Received on the Draft EIS
- Themes: The theme or themes in Attachment 3, Responses to Comments Received on the Draft EIS, that respond to the comments received on the Draft EIS

Attachment 2: Comments Received on the Draft EIS

Attachment 2 includes a copy of each of the comments received on the Draft EIS, and each comment illustrates which theme or themes in Attachment 3, Responses to Comments Received on the Draft EIS, respond to the comment or comments.

Attachment 3: Responses to Comments Received on the Draft EIS

The Federal Transit Administration (FTA) and the Metropolitan Council (Council) grouped the comments into common themes and prepared responses to each theme. Each theme includes one or more summary of comments, and each summary of comments is followed by a response. This appendix contains FTA's and the Council's topical responses on the following themes:

- A. Support for the Project
- B. Opposition to the Project
- C. Opposition to relocation of freight rail out of the Kenilworth Corridor
- D. Opposition to co-location of freight rail and light rail in the Kenilworth Corridor
- E. Concerns about LRT within the Kenilworth Corridor
- F. Concerns about Eden Prairie LRT alignment
- G. Prefers or proposes other alternatives
- H. Concerns about the operations and maintenance facility (OMF) and ancillary facilities
- I. Concerns about park-and-ride lots and stations
- J. Other specific design concerns
- K. Concerns about Purpose and Need for the Project
- L. Concerns about public involvement, agency coordination, and NEPA process

- M. Concerns about social and economic impacts
- N. Concerns about environmental effects
- O. Concerns about noise and vibration methodology and impacts
- P. Concerns about transportation system impacts
- Q. Concerns about modifications to freight rail infrastructure
- R. Concerns about safety and security
- S. Concerns about Section 4(f) and Section 106 properties
- T. Concerns about cost and schedule
- U. Technical and typographical corrections
- V. Information requests

Appendix M of this Final EIS includes FTA's and the Council's responses to the comments received during the comment period on the Supplemental Draft EIS and on the Amended Draft Section 4(f) Evaluation. That appendix uses a somewhat different approach in responding to comments. Appendix M uses a combination of individual responses to individual communications from commenters and a small set of *Master Responses* that apply to a variety of substantially similar comments. Some of the responses within this appendix refer to Appendix M.
