

# Station Design Approach

APRIL 2015

## Goals

- Acknowledge the different communities and station sites along the line
- Tie the stations together with a corridor-wide design approach
- Provide architectural consistency
- Control construction and maintenance costs based on lessons learned from past projects

## Station Character Contributors

- Public comments
- City, county, and park staff comments
- Hennepin County station area planning (Transitional Station Area Action Plans)
- Southwest LRT Project Office staff station site observations

## Approach

## Station Context

Natural Landscape Context

Neighborhood Context

Activity Center Context

Corporate Campus Context
