

00150 Advertisement for Bids

Notice is given that on **June 18, 2025 at 2:00 PM** the Metropolitan Council will receive and publicly open separate sealed bids for L66, L29, L71 Rehabilitation and Meter 406 A&B Installation, Project Number 805564 Contract Number 23P219.

This project will substantially rehabilitate Lift Station 66 located in Savage off of HWY 13. The wet well will have concrete repair, fiberglass replacement, a new coating along with gate replacement and a grinder installation. The dry well will have a secondary run of piping installed along with 4 new pumps and two mag meters. The lift station as a whole will have a new roof membrane, HVAC and electrical upgrades including installing a new generator. There will be various site work, above ground fuel tank removal, temporary conveyance and a new carbon tank installed. This project also has wet well pipe supports installation at Lift Station 29 in Plymouth and a demister installed at Lift Station 71 in Chaska..
