It was moved by Reynoso, seconded by Elkins to approve the minutes of the February 11, 2013 regular meeting of the Transportation Committee. Motion carried.

TAB LIAISON REPORT
Chair Duininck and TAB Liaison Robert Lilligren reported that the TAB met on 2/20/13 and heard presentations from Metro Council Chair Haigh about the Governor's proposed ¼ cent sales tax and heard from MnDOT Commissioner Charlie Zelle about TFAC recommendations to the Governor. The TAB also discussed a program year/funding priorities policy presented by MnDOT. MAP-21 provides less flexibility in moving projects from program years, and the TAB must manage projects in the region more aggressively, example: tightening sunset date requirements. The TAB plans to partner with MnDOT to manage regional projects.
