Council Member Barber suggested conversations occur at the regional policy maker level regarding the HRA structural deficit. The gap in federal funding is not unique to the Council. Broader conversations are needed for long-term solutions.

   • 0.75-mile portion of Carver County’s Southwest Regional Trail from County Road 61 in the City of Chaska to Bluff Creek Drive in the City of Chanhassen.
   • 2.25 miles of Three River Park District’s Minnesota River Bluffs LRT Regional Trail from Bluff Creek Drive in the City of Chanhassen and extending to the eastern county line near Pioneer Trail in Eden Prairie.
3. Direct Carver County to work with Three Rivers Park District to develop a timeline and use agreement outlining the transfer of management responsibilities to Carver County of the 2.25 miles of Minnesota River Bluffs LRT Regional Trail.
4. Inform Carver County that it must submit the Minnesota River Bluffs Regional Trail Development Master Plan Amendment for Metropolitan Council approval prior to requesting funding for development.

Motion carried.

Council Member Barber asked about next steps with regard to the proposed acquisition. Emmett Mullin, Regional Parks Manager, responded that the acquisition request would be presented to the Legislative-Citizen Commission on Minnesota Resources (LCCMR) and the Council in the near future.

Council Member Elkins asked when the closed portion of the regional trail will reopen. Staff responded that the acquisition process precedes the production of a more specific development master plan which precedes on-the-ground development. While construction in late 2018 is not an option, staff is hopeful that the acquisition and development plan advance in a timely fashion, and the reconstruction of the closed portion can commence as soon as possible.

Council Member Munt asked what caused the slope failure that led to the trail closure. Council Member Barber responded that a significant rain event occurred in June 2014.

2018-302 Accept the Public Comment Report and Adopt the 2040 Regional Parks Policy Plan
Regional Parks Manager Emmett Mullin, Regional Planning Director Libby Starling, and Planning Analyst Dan Marckel presented the public comment report and business item to the Committee.
It was moved by Wulff, seconded by Munt, that the Metropolitan Council:

- Accept the Public Comment Report on the draft update to the *2040 Regional Parks Policy Plan*; and
- Adopt the revised final update of the *2040 Regional Parks Policy Plan*.

**Motion carried.**

**INFORMATION**

1. Regional Parks Funding Allocation Policy and Regional Parks Fund Distribution Policy Regional Parks Manager Emmett Mullin, Regional Planning Director Libby Starling, and Planning Analyst Dan Marckel presented the public comment report and business item to the Committee.

   The 2018 update to the *2040 Regional Parks Policy Plan*, scheduled to be recommended for adoption earlier in this meeting, removes significant finance-related policies and procedures from the *2040 Regional Parks Policy Plan*. These finance related policies and procedures were removed with the intent of placing them in the Council’s organizational policies and in an administrative guide so that the Council could be nimbler in response to legislative changes and adjust administrative procedures as needed. Council staff have been drafting a Regional Parks Funding Allocation Policy and a Regional Parks System Fund Distribution Policy for adoption by the Metropolitan Parks and Open Space Commission (MPOSC) and the Metropolitan Council in December and January.

   Committee members commented shorter reviews are a good idea, and this is a model for the LCA fund distribution plan.

**ADJOURNMENT**

Business completed, the meeting adjourned at 5:40 p.m.
